

Grants Pass Basketeers Victors, 26-24

Two Overtime Periods Needed in Game With RHS; 2nd Tilt Tonight

Grants Pass defeated Roseburg 26 to 24 in a basketball game here last night, two overtime periods being necessary to determine the victor in a contest in which the score was tied eight times.

The two teams will compete at the Roseburg high school gymnasium again tonight, Grants Pass having requested a second contest with the Indians, when Coos Bay, Marshfield, or whatever it may be called by this time, cancelled the battle scheduled at the Bay city tonight.

Last night's game was tied at 22-all at the end of the regular playing period. It was 24-all at the end of the first overtime period. Lutz, who beat Roseburg at football with his 98-yard run in the Armistice day game at Grants Pass, turned in the basketball vic-

tory when he soloed down the floor from the tip-off with the "sudden death" shot to break the tie.

Seesaw Battle Staged

The Cavemen took an early lead on free throws in the first quarter and were ahead 4 to 0 before Roseburg could connect, but the Indians tied the score near the close of the frame and were out in front, 6 to 5, as the period ended. Roseburg held the lead, 9 to 7, at half time but the Cavemen quickly tied the score as they came back on the floor after the rest period. The lead switched twice and the score was tied four times during the third period, which ended at 16-all. Roseburg took a one-point lead and stretched it to three points in the last 35 seconds of play but a free throw by McKenzie and a basket by Robertson, tied the count at 22-22 at the end of playing time.

In the first overtime period, Krell scored for Roseburg and Auslund tied the count again for Grants Pass.

In the next overtime play, Lutz took the ball from the tip-off at center and soloed down the floor to sink the winning basket.

Lack of Practice Evident

Both teams were very ragged, as they met in the first real competition of the season, the contest being slowed by frequent penalties for running with the ball. There also was considerable fouling, but few intentional penalties were called, the penalties resulting rather from lack of practice than for roughness. Roseburg lost Benson and Colley in the closing minutes of the game, because of fouls.

Both coaches used frequent substitutions to give experience to first string players.

Tonight's game is expected to be as hard fought as last night's battle, but will probably be much faster as a result of experience gained by both squads. Eason ticket holders will be admitted without extra charge. It was stated, thus, gaining an extra game as a result of their purchases.

Lineups:

Roseburg 24	26	Gts. Pass	
Benson 1	F	4	Pippert
Harvey 4	F	6	Lutz
Krell 6	C	4	Rubel
Askey 10	G	4	Auslund
James 10	G	4	Robertson

Substitutes: Roseburg: Atterbury, Jacobsen, Mistraters, Colley

Roseburg Realty Co.

(2); Grants Pass: Everton, Bohn, McKenzie (3), Bertand, Boyce (1), Officials: Gretsch and Aytote; Elliott and Panfilo, scorekeepers; Bean, timer.

Grants Pass Girls Won

The Grants Pass girls made it a double victory by taking the volleyball preliminary by a score of 31 to 10. The Roseburg girls team was only recently organized and showed lack of practice. Players were: Grants Pass—Pixley, Wise, Ferris, Hussey, Anderson, Janice Neely, Houser, Jane Neely, Benedict; Roseburg—Andrus, Strickland, Helvey, DeBuerne, Broadwater, Wells, Burpee, De Gnath, Jackson, Storey, Hatfield.

Surplus Eggs to Be Used in Lend-Lease Operations

Surplus eggs will be used by the federal government in its lend-lease program and poultrymen will have the benefit of a support price of 27 cents per dozen for candled eggs and 24 cents for current receipts, the 24 cent price representing 90 per cent of parity, Fred H. Cockell, Milwaukee poultryman reported here, following his return from Chicago, where he attended a series of conferences of the National Poultry Defense committee of which he is a member.

The committee was informed by WFA officials, Cockell reports, that 150 million pounds of dried eggs will be shipped to Russia during 1945, 70 million pounds will go to England and 75 million pounds will go to the governments of liberated countries. WFA, it was reported, will contract for not less than 250 million pounds of dried eggs and it is expected the British will need from one to three million cases of shell eggs. This program, he states, will provide an outlet for surplus eggs above civilian and army needs.

Cockell states that the new program does not mean any change in the previous WFA request for a national reduction of 16 per cent in egg production for 1945, but it does imply that the government plans to use all surplus eggs for shipment abroad and will support egg prices at 90 per cent of parity.

Livestock Raisers In Good Position

Latest USDA analysis of the livestock situation indicates that 1945 prices for meat animals will be maintained at or above 1944 levels, while total meat output will be at least 2-billion pounds smaller than the 24.6-billion pounds indicated for 1944 on a dressed-meat basis.

Prices for hogs are expected to average higher than a year earlier during the present hog-marketing year due to large purchases of pork by WFA and the armed forces, combined with a sharp reduction in hog marketing which is expected to continue for the first 7 months of 1945. Purchases of beef by the armed forces are expected to be larger in the first half of 1945 than the same period of 1944.

Cattle feeding during the winter may be somewhat greater than a year earlier, with larger corn supplies and a wider spread between feeder and feed cattle prices. Feed supplies will be much more plentiful than last season. The total number of lambs fed this winter may be materially smaller than last year and may be the smallest in the last 10 years.

FORGOTTEN ITEM

HOQUIAM, Wash., Dec. 15—(AP)—The American Legion and auxiliary climbed into their best for a turkey dinner which the auxiliary won in a membership drive.

But there was no dinner. The commander had forgotten to arrange it.

PERFECT TIMING

DENVER—(AP)—Mal. Daniel F. Kearns went to visit a sick friend at an army hospital, slipped, twisted a vertebra, was popped into bed, stayed on as a patient.
