DIAL-LOG

By SUSAN
Here's a quick reminder that tonight at 6:15 is the first broadcast of your new fifteen-minute sports news, and that 6:30 is the one time only broadcast of the Kiwanis Anniversary Dinner. We can't tell you just what is planned, but it's a local deal. Other good bets for tonight include Here Comes the Band at 8, Michael Shane at 8:30 and, of course, Sherlock Holmes at 10. In the "Case of the Elusive Umbrella," billed as the oddest crime ever committed.
Come Tuesday... and our favorite morning of the week, with Jane Cowl, Open House and Organ Chimes and the Paula Stone—Phil Brito show. We'd also like to remind you that the 7 o'clock news in the early morning is excellent and likewise, that Tuesday is the morning for the County Agent program. A few more changes in the morning program will be coming up shortly and then... we hope... we'll be set for a while. Nothing very drastic will happen right away, but a new three-times-a-week show is starting the last of the month on the 8:30 a. m. spot. Rise and Shine are going to bow out along toward the end of the month and perhaps Luncheon With Lopez, but we're not sure about that yet. Anyway, you can look for bigger and better programs by day...

Annual Meeting of Red Cross Chapter Deferred

DAILY DEVOTIONS

DR. CHARLES A. EDWARDS
Growing in grace should be a simple problem in addition. We should add to faith virtue, knowledge, temperance, patience, godliness, brotherly kindness and the greatest of all, charity. Moral heights are not gained by one swift flight, but by tollsome ascents. An intelligent faith consolidates its gains and appropriates all available sources of knowledge and power. The arts and sciences contribute light and beauty to life, gifts and graces do their part. Diligence, faith, virtue and knowledge become happy accomplices in the task of bringing life to the highest and best. What a wretched cheat life is when it has none of those qualities! The lift that is hid with Christ in God has everything that is lovely and of good report. In stature we may be no taller at fifty than at twenty, but in the spirit we should be giants by then if ever at all.
"I would be true, for there are those who trust me; I would be pure for there are those who care; I would be strong for there is much to suffer; I would be brave for there is much to dare." Amen

las county, a beautiful gold trophy, the Floyd R. Schmitt Production Quota trophy, in recognition of his achievement in sales during the year 1944. Plans were made for complete insurance service for all risks that qualified for 1945.
