RHS Indians Trim Marshfield High Quintet, 39 to 34

The Roseburg high school Indians eked out a 39 to 34 victory over the Coos Bay Pirates Saturday night, after the Marshfield high school team had come from behind in the third period. Roseburg led all the way until late in the third frame, when the Pirates overtook the Indians, but their rally could not be sustained and the Indians again went out in front to win their second consecutive victory after nine straight defeats.

The Indians were leading 11 to 6 at the close of the first quarter and 20 to 15 at half-time, but were trailing by one point, 30 to 31 as the game entered the final period.

Young's southpaw pitching had the Pirates in trouble all the way, as the Roseburg forward rolled up 18 of the team's 39 points. Scoring by Roseburg players, however, was more evenly divided than in any previous games, with all of the regulars annexing points.

Defensive work by the Indians was brilliant at times, but ragged at other times, but showed possibilities of becoming very strong as more experience is gained. The Pirates had a taller, heavier team, but despite this fact the Indians had a slight edge in backboard recoveries, in which Krell and Benson starred.

Nine months of care at the Medical Center and continuing physical therapy treatments provided by the National Foundation helped this lad to win over the Cripple.

Cpl. R. W. Ulm Has Vital Job in Air Transport

MIAMI, Fla., Jan. 22.—Cpl. Ralph W. Ulm, Brookway, Ore., is one of the hundreds of soldiers in the skilled maintenance crews that keep the huge transport planes flying out of AAF air transport command's Miami army air field.

Not many have been higher off the ground than a double-deck bunk and their glory comes second hand. But they form the ground crews whose industry and ingenuity play a big part in the records AAF is setting every day in carrying high-priority material

and personnel to war theaters all over the world on such runs as the famed Fireball Express between Miami and India.

Cpl. Ulm, son of Mr. and Mrs. Claude H. Ulm, Brookway, is assigned to duty as a C-54 mechanic in aircraft maintenance at the big ATC Caribbean division base in Miami.

Attempt on Mussolini's Life in Milan Revealed

(By the Associated Press) A Geneva dispatch reported on the OWI today said it was increasingly certain that an attempt was made on Mussolini's life during his visit to Milan in December, although the fact had been "hidden from the population" by the fascist government.

A band of anti-fascists and communists "succeeded in placing a machinegun on the third floor of a house in the Via Dante," said the Geneva newspaper La Suisse's account.

"As the dance approached and the partisans prepared to fire, two soldiers of the Muti brigade discovered them. An alarm was sounded and the militia succeeded in disarming the anti-fascists."

How to stab yourself in the back

You don't have to have three arms, or even be a contortionist.

All you have to do is grab a War Bond of yours and cash it in. When you do this, you do yourself more harm than you realize.

You throw away the best investment in the world today. You lose the chance of getting four dollars for every three when your Bond matures. You forget how handy that War Bond will be in a few years—when maybe you'll really need some money.

And when you cash in that Bond you're hurting Uncle Sam too. You're taking your valuable dollars out of the fight at a time when your country needs those dollars badly.

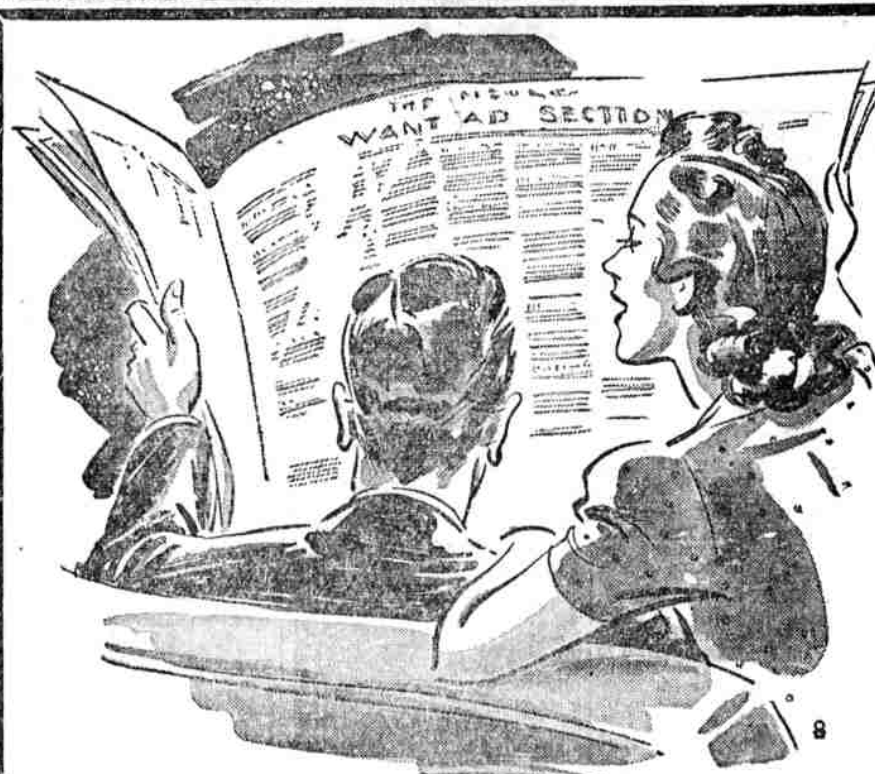

So don't give in next time you feel a spending spree coming on. Instead hang onto the Bonds you have, and buy another to be still safer!
