

Paralysis Fund Drive Progresses In Douglas County

Directors of the infantile paralysis campaign in all areas over Douglas county report that committees have been formed and are actively functioning to promote five community dances distribute bottles for donations, canvas homes and businesses, sell buttons and work out other money-raising events, Roy Sunderland, chairman of the Douglas County chapter of the National Foundation for Infantile Paralysis reported today theaters are assisting in the "March of Dimes" which annually constitutes a big part of the national campaign.

Events scheduled to boost the drive for a "mile of dimes," dominate the calendar in the final week of the current campaign, ending January 31. A total of \$875.75 has been turned in to the treasurer to make 515 feet. The drive over the county at large is just beginning to function.

While this is only 10 per cent of the goal, it is felt that when reports come in from the many committees now working, the "mile of dimes" will likely be achieved.

Dance Scheduled

Few detailed reports have been received from areas outside of Roseburg, but it is known that dances are planned in the leading communities. In Sutherlin Mrs. M. Patterson, president of the P. T. A., has been appointed director in the place of Mrs. Henry Wahl, who will assist. Arrangements have been made for a dance January 27 in the Sutherlin Community hall. A committee has been appointed to canvass the business houses and mills.

In glendale Mrs. L. Walker has been appointed to be director in the place of Mrs. Monte Bates. In addition to other plans, a benefit dance has been scheduled for Saturday.

Dance committees in Reedsport under the joint directorship of Everett Wright and E. C. Dunn are at work, Mrs. Madge Gazley of Myrtle Creek is reported to have committees actively working, and to have arranged for a dance there Saturday.

The President's ball dated Monday, January 29, for the Roseburg armory is being handled in its entirety by the Lions club, General chairman is Carl Felker, who reports that the committee meets tonight to work out the plans for sale of tickets, decorations and program. Paul Lund's orchestra will play.

Granges Also Aiding

Several Granges have made contributions and members are playing an active part in stimulating the small clubs, sewing circles and community groups in to sending contributions to the Douglas county chapter, Evergreen South Deer Creek, Merriam, Riversdale, Glide, Camas Valley, Riddle, Sutherlin, Kellogg, Sunnyside, and Elkhead granges have been enrolled in the promotional activities for their areas.

Mrs. Maxine Henninger, chairman of the women's division for the county, reports that button sale plans are going ahead, and that buttons are expected to be sold as widely as possible over the county.

Joe Wikoff, chairman of the committee for union and business solicitation reports that his committee for the Roseburg Lumber company has been appointed, and that Lester Williams, president of the district council of A. F. of L., is appointing persons to take charge of solicitation of employees in all mills of the county in which his organization operates.

'Ah-h-h' Man

Snub-nosed and freckled, Van Johnson, above, new Hollywood find, appears to be the current heart-throb, especially among the more mature segment of the swoon sisterhood. His pictures attract long lines of sighing girls who spurn Frank Sinatra to see Johnson make faces, which, they declare, "does something" to them.

Another Smoker Dated by Roseburg High Boxing Class

The Roseburg High school boxing class is preparing to stage another public smoker at the Roseburg armory on Wednesday, February 14, Principal O. J. Monger reported today. A smoker held a few weeks ago proved very popular and many fans have been asking for another such program, Monger stated.

A large number of students are

taking boxing training under the direction of Roy Sunderland, Roseburg oil company manager and former navy boxer, workouts being held in connection with the regular school athletic periods coupled with two night classes each week.

Some of the best bouts of the last card will be repeated, it is announced, and new matches will be arranged to give a program of 12 three-round bouts.

Plans also are being considered for an inter-city boxing tournament between students of Roseburg and Springfield High schools, with possibility of a public card in the early spring, Principal Monger said.
