DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

"His delight is in the law of the Lord." Nature's laws are God's laws. Their fragments discovered and recorded by early writers amply reveal their fundamental nature. The Psalmist pronounced him blessed whose meditation was focused here. Men of different generations may differently interpret the manifestations of God in nature, the unchanging book of divine revelation, but the book remains and its laws are written in every star and blade of grass. The Eternal does not change though manifestations in multitudinous ways. The query: When I consider Thy heavens, the work of Thy fingers, the moon and the stars, which Thou hast ordained; what is man that Thou art mindful of him? and the Son of Man that Thou visitest him. Rise from meditation upon the law of the Lord. Humility is born of knowledge; and knowledge is born of meditative experience. "Lord how manifold are Thy works, in wisdom Thou has made them all." If I would have the mind of God, I must think of God-like things. Amen.

Medical corps, Miami Beach, Fla., arrived home Monday to visit in definitely with relatives and friends.

J. O. Backlund received a badly injured hip last week when he fell. The fall was caused by the breaking of a peavy while he was working in piling.

Mr. Ryder from the Calahan Trail district was a business visitor at Melrose Monday.

Mrs. H. Hurley left Saturday for The Dalles to enter a hospital. The Hurleys reside on the John Richards place in West Melrose. One of her daughters accompanied her.

Portrait of a man cashing in his War Bonds

BEFORE you decide to cash that War Bond—wait a minute.

For the last 3 years, you've been buying Bonds steadily—saving part of every dollar you earned.

You've formed the habit of saving.

You've been accumulating money against unforeseen troubles or a time of need.

You've been working to build up a nest egg—and by golly, you've got Uncle Sam helping you do it! Every time you put in \$3, he will make it \$4—if you hold your Bond to maturity.

You've been laying aside money to help safeguard your

job after the war, and help guarantee a healthy, prosperous Country for us all.

You've been helping to fight inflation and to keep prices down.

Last, but by no means least, you've been sending your dollars into the fight—backing up G. I. Joe.

You don't want to undo all you've done. It just isn't smart. To say that it's cutting off your own nose is to put it very, very mildly.

DON'T cut off your own nose. Hang on to your War Bonds. Hang on to them till they come due—and meantime, buy some more!
