## DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

Man is ever a seeker, but all too often he seeks only the petty and the fleeting. Jesus calls on him to seek the highest, the building of the kingdom on earth. Sometimes the church has seemed to feel that its only mission was to try men for another world, rather than to make this world a fit place for God's children to live in. But the rebuilding of the kingdom of God on earth is not solely the work of the church and the evangelist. All have their part to do, the teacher, the scientist, the industrialist, the farmer, the poet, the statesman, man's citizenship in heaven must be merged with citizenship in the kingdom here on earth. This physical world is the Father's gift for the daily needs of His children, and it is the material which must be transmitted into the heavenly kingdom. To practice the golden rule, and brotherly love is the only way to enthroned the Prince of Peace in the world. It has taken this terrible war to make men realize that we are members one of another, that no man lives solely to himself. Amen.

6:30, which as you know will be February 12, and the show will be "Abe Lincoln's Story". The radio production has been written by Carl Haviland and H. Bedford Massey, two of the outstanding authorities on Lincoln's life. This is recommended listening for the whole family with an accent on getting the children gathered round to hear it.

This being Thursday, it's the night for Music you remember at 6:30, Recital Hall of the Air at 7:30 (with Gladys Strong's pupils this time), Wings Over the Nation at 9:30 and mark this one "don't miss". Remember, too, that tomorrow is one of those days when you hear Take It Easy Time, 8:30; Lanny and Ginger, 8:55; and Songs for Morton Downey, 9:15. Tomorrow morning is Felix Knight's last appearance. Pinch-hitting duties are being taken over by Bob Hannon as of next Monday.

## Baking tips for good eating

### RICH BISCUIT DOUGH

For rolls and coffee cakes

2 cups all-purpose flour 6 tbsps. shortening  
3 tbsps. baking powder 1 egg  
1/2 tsp. salt Milk

Sift flour; measure; and sift again with baking powder and salt. Cut in shortening until it is as fine as corn meal. Break egg into measuring cup; beat with fork; and add enough milk to make 3/4 cup liquid. Add to flour mixture; stir with fork until all of flour is dampened. Turn out on lightly floured board.

This basic dough is suitable for almost every imaginable type of roll or coffee cake. For example:

### CINNAMON NUT ROLLS

Use Rich Biscuit Dough Above.

Roll dough 3/4 inch thick; spread with 2 tablespoons softened butter and sprinkle with 2 teaspoons cinnamon and 1/4 cup sugar. Roll up as jelly roll and cut in 3/4 inch slices. Sprinkle a few coarsely chopped nuts in the bottom of a well-greased muffin or square pan; place rolls on top. Bake in moderately hot oven (425°F.) for about 15 minutes.

### BEAR CLAWS

Use Rich Biscuit Dough Above.

Roll dough 3/4 inch thick; sprinkle with 1/2 cup firmly packed brown sugar, 1 tablespoon flour mixed with 1 teaspoon cinnamon, and 1/2 cup seedless raisins. Roll up as for jelly roll; cut in 2 inch pieces, flatten out. Slash one folded edge at inch intervals to within 1/2 inch opposite side using scissors. Place on baking pan. Bake in moderately hot oven (425°F.) for about 15 minutes.

### TEA RING

Use Rich Biscuit Dough Above.

Roll dough 3/4 inch thick; spread with jam, jelly or fruit and nut mixture. Roll up as for jelly roll; place on greased baking pan bringing ends together. Slash with scissors from outside almost to center about every 2 inches. Bake in moderately hot oven (425°F.) for about 15 minutes. Ice when cooled with powdered sugar and milk frosting.

## WHAT A DIFFERENCE! AND WHY?

IN THE LAST WAR \$2.65 WOULD BUY 10 LBS. OF SUGAR—AND YOU WOULDN'T HAVE ANY CHANGE LEFT.

NOWADAYS, THAT SAME \$2.65 WILL BUY YOU 10 LBS. OF SUGAR PLUS SUCH FOODS AS BREAD AND SOAP AND PEAS AND COFFEE AND LARD AND CEREAL AND CANNED TOMATOES AND NOODLES!

WHY?

CEILING PRICES! THAT'S ONE OF THE BIG REASONS—AND YOU CAN HELP TO KEEP PRICES DOWN BY WATCHING THEM NEVER PAY MORE!

Look for the O. P. A. Ceiling Price Lists in Stores!

And don't hesitate to ask about prices... good merchants want to keep them at ceiling or less. That's one way to avoid the tragedy of inflation!
