Pleasant Hill Five Knots Count With Reedsport Braves

Reedsport and Pleasant Hill will meet on a neutral floor Monday to determine which of the two giant killer teams will enter the state basketball championship tournament.

The Reedsport Braves, winners of the first game played on the Reedsport floor, were beaten 35 to 23 by the Hillbillies playing on their home court last night.

Both teams have shown unusual prominence this year. Both are undefeated in B league play and each has trimmed most of the A league teams it has met. The Lane county team was one of the runners up in state play last year, and has had few changes in personnel this season. Reedsport's play is built around DeWitt, tall sharpshooting forward, who is also a canny director of strategy.

Entries in the state tournament now are narrowed down to Class A: Medford, Eugene, Newberg, Hillsboro, Oregon City, Vernonia, Washington or Portland, (Baker or Hood River); Class B: Clatskanie, Grant Union or John Day, (Pleasant Hill or Reedsport) (Rogue River or Arlington).
