Hoop Finale Victory Goes To Reedsport

Pleasant Hill Defeated, 37 to 29, For Entry in State B Titular Series

Clever strategy set the Reedsport Braves on their way to the state championship basketball tournament as they defeated Pleasant Hill 37 to 29 in a brilliant game on the Roseburg court last night. The game was the final and decisive contest in a three-game series to determine the tournament entry and the Braves ably proved their calibre by the methods used to win.

Taking advantage of tension on the part of the Hillbillies in the first half, the Braves cut loose a fast running attack and quickly piled up a substantial lead, being out in front 13 to 4 at the quarter and 26 to 13 at half-time.

Pleasant Hill, however, returned from the rest period to prove it was still in the ball game by opening a long-range barrage led by Hutton, G. Kimball and Casey.

Stalling Tactics Effective—With their lead cut down to six points, 30 to 24, Reedsport suddenly switched tactics and began stalling. Their game of keep-away proved effective in drawing out the Hillbille defense, and by the close of the third period Reedsport was out in front 33 to 24.

The Braves continued their stall throughout the entire fourth period, protecting their lead, resulting in low scoring for both teams, Reedsport adding four points, while Pleasant Hill chalked up five.

The game was witnessed by a capacity crowd which was entertained at intermissions by the Roseburg High school pep band. Reedsport's victory settles the lineup for the state tournament, as only one berth remained vacant.

Reedsport will meet Arlington at 4:15 Friday in the first game of the B league championship round at Salem.

Lineups: Reedsport (37) (29) Pleasant H. DeWitt (14) F..... (2) D. Kim'l Mooney (10) F..... (7) Hutton Thornton (6) C..... (6) Dick Colver (1) G..... (10) G. Kim'l Smith (6) G..... (4) Casey

Substitutions: Reedsport—Pinion; Pleasant Hill—Lindley.

Honorable mention was given Dale Warberg, Eugene, and Bob Nelson, Junction City.

Merger of Two West Coast Oil Firms Announced

Consolidation of two important west coast oil companies was announced today by A. H. DeFries, vice president of the General Petroleum corporation, and C. S. Beesemer, president of the Gilmore Oil company, according to information received by B. F. Ball and E. W. Ellis, Oregon managers for the companies. Both organizations have served western motorists for many years and have quite similar backgrounds. Operations will continue under the management of General Petroleum, west coast marketers of Mobilgas and Mobiloil. Road oil and asphalt operations will, however, be handled by a Gilmore organization.

The merging of the two organizations results in the appointment of B. F. Ball, as resident manager, and E. W. Ellis, as assistant manager for the Oregon division, and other assignments will be announced in the near future, according to DeFries.

"One of the interesting results

of this consolidation will be the extension of General's generous military leave policy to all Gilmore employees who are currently in the armed services or may later join." De Fries said. Under this arrangement designated dependents of such employees will receive each month from General a payment representing a substantial portion of the difference between the pay and allowances granted the employee by the government and the salary that was being paid when the employee went on leave. Jobs will of course be waiting for all of them when they return."
