Assassination Twice Escaped by Roosevelt

(By the Associated Press) During Franklin D. Roosevelt's first term as governor of New York, the first of two attempts was made on his life. In April, 1929, a bomb addressed to him was found in the Albany postoffice. A porter accidentally kicked the package causing it to set off a sputtering fuse. It was dropped in a pail of water and failed to go off. In February, 1933, Mr. Roosevelt, as president-elect, visited Miami Fla. Giuseppe Zanzara fired five shots at him, but they killed Mayor Anton J. Cermak of Chicago instead when a bystander deflected the assassin's aim. Zanzara was electrocuted for the

Baseball Talent Of Roseburg High Is Working Out

BY RODNEY BARROWS, High School Reporter. Despite the weatherman's apparent opposition, baseball practice has been going on for some time at Roseburg Senior High. Although the rain limited outdoor practice to three days, the boys have been working indoors and exercising to keep in condition. Of the 30 baseball boys, the majority are sophomores, with only three seniors turning out. Seniors are Stan Mitchell, shortstop; Bob Bashford, 2nd base; and Don Caskey, Coach Mel Ingram reports that the mound prospects look unfavorable as no experience pitchers turned out for baseball. Ten baseball games have been scheduled so far, six with Springfield, four with Myrtle Point, and two with Elkton. It is hoped that more games can be arranged with other schools. As Coach Ingram is going to coach only baseball for the rest of this season, he has turned over the track team to Stanley Glick, who will be assisted by Harry Wilson. Trackmen, too, have had to do much of their exercising inside, but the interclass track meet helped them put in some practice. A track meet is scheduled at Cottage Grove today and Ingram says we will have only one last year letterman participating, Bob Krell, who is a senior and a hurdle man. The RHS students wish to express their thanks to Bob Bashford for spending many after-school hours, and his Easter holiday, discing the football field, previous to sowing. His father, Al Bashford, very generously donated use of his tractor and other machinery for the job. Later the PFA class, under Homer Grow's guidance, seeded the field, while Coach Ingram's physical education classes raked the field to cover the seed.

Disinfect Seed to Cut Losses in Early Sowing

Seeds and infant plants (seedlings) are often attacked by molds or fungi which destroy them. This is most likely to occur when conditions are unfavorable, and they become either too wet, cold or warm for quick germination and healthy growth. Seeds started indoors, or early in the spring before the ground warms up, are much more likely to be attacked than those sown in warm, sunny weather. There are said to be 500 different organisms which may be present in soil or on the seeds (like bacteria in the human system) waiting favorable conditions to develop. One way to protect your sowing

"Speedy" Maloney To Battle Kiser On Mat Bill Here

Douglas county wrestling fans will have an opportunity to watch one of the nation's leading young grapplers here at the armory Saturday night when "Speedy" Maloney, youthful speed merchant from Pittsburgh, Pa., meets Jack Kiser, holder of the Pacific coast light-weight championship. The match is expected to be a fast, clean, scientific battle—in marked contrast to the inevitable Donnybrook between Walter "Sneeze" Achiu and Billy McEuin in the headline attraction. The weekly show here Saturday, staged by Matchmaker Don Owen, will open at 8:30 o'clock with a three-round boxing exhibition by local talent. Achiu will be a slight favorite over McEuin. The great Chinese mat master has had years of experience. When not playing football, Walt wrestled professionally on the side to earn his college fees at Dayton university, and by the time he finished the mid-western school he was one of the top-flight middleweights in the nation. During his lengthy and colorful career he has held every major championship except the world title, a gonfalon that was always kept beyond his reach by cautious titleholders. The bout may develop into a contest between McEuin's kidney punching and Achiu's judo fitsu. The two rivals are evenly matched in height, weight and ability, with Achiu holding a slight edge in experience. Elton Owen, former University of Oregon grizzer and intramural boxing and wrestling champion, will officiate all three matches.
