SHANKLIN-WARD RECITAL IS CHARMING EVENT OF LAST MONDAY EVENING

One of the most delightful programs of the year was given at the Baptist church Monday evening by Miss Annarloris Ward, soprano, a student of Mrs. Charles A. Brand, and Miss Georgene Shanklin, pianist, a student of Miss Gladys H. Strong.

There was a large, enthusiastic audience and both Miss Shanklin and Miss Ward responded with encores.

Miss Ward has a sweet, high voice of fine range. Her tones were pure and full and she sang with excellent shading and facility. She has a charming personality.

Miss Shanklin, who is the daughter of Mr. and Mrs. P. R. Shanklin, is an accomplished pianist, even though only fifteen years of age and a sophomore in the Roseburg Senior High school. She was well poised and played a difficult program well. Her numbers were varied, being chosen from different periods including classic and contemporary composers. Her technique was brilliant and her interpretations were artistic, giving expression to the mood and style of the various compositions.

The program included such composers as Haydn, Schumann, Puccini, Dagnin, McDowell, Schubert, Beethoven, and Debussy. "Here Is a Love-Song," sung by Miss Ward, was composed by her father, Frank Ward, now of Portland, who is well known in Roseburg, having formerly resided here for several years.

One of the fine features of the program was Miss Strong's splendid accompanying of Miss Ward.

American Legion Auxiliary Activities

BY MRS. CLAUDE BAKER

You will want to listen Sunday night at 9:15 to the regular Auxiliary radio program when a brief sketch of each president for the past 25 years will be given. At that time you will learn a little of what the auxiliary has accomplished both for the community and its children and veterans.

Since this is Child Welfare month, Mrs. Ned Dixon would like to remind the auxiliary and members of the families of Veterans of World War I and II, that she maintains offices at the Medical Arts building. She is in her office from 2 to 5 on Friday afternoon for conferences.

The work of Mrs. Dixon is financed by local and state funds and is for the purpose of assisting veterans and their families. The regular meeting of the American Legion Auxiliary will be held Tuesday night at 8:00 p. m. at the Knights of Pythias hall.

DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

Our life is a matter of choices from the day we reach the age of accountability to the last day. We choose our friends, our vocation that we would follow, and if we will, we may choose God as our Father, and Christ as our best friend. Upon our choices depends our whole future. Solomon chose wisdom; and wealth and place were added to him. Moses chose to suffer with God's people rather than to dwell in the courts of Pharaoh. The eleven disciples chose to follow Christ even to the Cross. Saul of Tarsus chose to preach the gospel of Christ facing prison and suffering. Again and again we read of those who made wrong choices. Lot chose the city of the plain where the wicked dwelt. Agrippa almost chose the right but failed, the right young ruler thought of choosing Christ's plan of life, but was unwilling to pay the price. Our life choices are important and the most important of all is to choose Christ as our Leader and King. Every day comes the challenge "Choose you this day whom ye will serve."—Amen.

the president, Vera McClintock Jones will be in charge and is urging all members to be present.

FIRST DAY OF SCHOOL

When the **San Francisco Conference** ends, the delegates will have experienced their "first day of school" for the study of the complex problems of world peace, and for the development of a curriculum for a permanent school.

Everyone everywhere should clearly understand that this Conference is the most important international meeting in history.

We can be thankful that our nation is represented by wise and experienced statesmen with a sincere desire for peace, and we are sure the other nations have the same type of representation.

The Conference will furnish the leadership and the plan, but peace depends upon the peoples of the United Nations—upon their will to peace, upon their sacrifice for peace, upon their works of peace.

The difficulties are enormous, some of the problems cannot be solved immediately, and compromises will be made by all nations in order to arrive at conclusions that will be fair to all countries.

The Conference cannot create an enduring peace. But it will lay the foundations for a plan for peace to be put into effect as soon as possible, and which we and future generations of the world must maintain.

Let us be sparing in our criticism and generous with our encouragement and constructive suggestions.

And above all let us pray that the thinking people of the world will take advantage of the opportunity afforded by the "first day of school" and build continuously toward an enduring peace.
