

### Bodies of Hitler, Eva Seen Burning, German Cop Says

MONTGOMERY'S HEADQUARTERS, June 20. (AP)—A German policeman from Berlin said today he saw the bodies of Adolf Hitler and Eva Braun burning at the exit to the Reich chancellery shelter on May 1.

(This is another of a series of reports and rumors concerning the fate of Hitler which started before the fall of Berlin. Marshal Zhukov told allied correspondents in the German capital June 9 that "we have found no corpse that could be Hitler's" and suggested the fuhrer had had a good opportunity to escape by air with Eva Braun, his companion in the siege.)

Hermann Karnau, 32, the policeman, told allied correspondents: "I saw Hitler lying on the ground about two meters from the exit, in open air."

"Hitler was on his back with his knees slightly drawn up. Eva Braun was beside him with her face down. Both bodies were on fire and beside them were four empty gasoline cans. There was an incredible odor."

"I turned about and encountered Prof. Stumpfegger, chief medical officer of the chancellery, at the main entrance to the bunker. I believe he poisoned the fuhrer and Fraulein Braun, for four nights earlier he had poisoned the fuhrer's favorite Alsatian dog, Blondie."

"I entered the bunker, which was 20 meters deep underground, and met Hitler's valet, Linge."

Karnau declared: "We had heard that Linge had orders that the fuhrer's body should never fall into the hands of the enemy, who were then about two kilometers away at the Hollisches Tor, and shelling us heavily."

"In the bunker I met the Sturmbahnfuhrer, of the fuhrer's personal staff, coming down the emergency exit. He was calling out: 'The fuhrer is dead and burning.'"

"With another policeman I returned to the spot where the bodies lay. The lower parts of both were burned away, but I recognized Braun by the black suede shoes with high cork soles, which had not yet caught fire."

### Prison, Not Death, Asked For Poles in Red Trial

MOSCOW, June 20. (AP)—Maj. Gen. Afanasiev, chief prosecutor of the 16 Poles on trial for subversive activities behind Russian lines, asked the court today for no death sentences but only imprisonment.

He told the military collegium of the soviet supreme court in his summation that death was not needed "because we are now living through days of joyous victory and the soviet nation is mightier than it ever was."

Final evidence indicated that Stanislaw Mikolajczyk, who resigned as head of the Polish exile government in London when it failed to accept his recommendations for accord with the Lublin-Warsaw regime, had been kept in the dark concerning alleged anti-Russia activities of the Polish underground army. The commander of that group, Maj. Gen. L. Okulicki, is the chief defendant.

not only for the entertainment, but to secure ideas upon which to base the program of the rodeo proposed to be held in Roseburg in the late summer.

Medford is anticipating more than 600 horses for its forthcoming show and has a large list of buckaroo entries. Preparations are being made to entertain more than 5,000 visitors.

The rodeo and horse show will start with a downtown parade Saturday night, followed by a three-hour show. An afternoon performance will be held Sunday.

### Photo Copy Device Added to County Clerk's Equipment

Installation of a Rectigraph photo copy machine at the office of County Clerk Roy Agee in the Roseburg courthouse was completed Wednesday and the equipment is now in service. The machine will be used in making photostatic reproductions of legal papers and, it is estimated, will duplicate the work of at least six typists.

The new equipment is expected to be extremely valuable in recording military discharges, of which a large number may be expected in the coming months. Recording of discharge is furnished free of charge to veterans. Heretofore it has been necessary to make a typewritten record, involving the services of two deputies, in comparing the copy with the original. This process also has been practiced upon all legal instruments submitted for recording.

Winston Churchill was a professional soldier in the British army and fought with the Bengal Lancers in India.
