UMPUQUA MINERAL CLUB HAS DELICIOUS POTLUCK DINNER AND SOCIAL

The Umpqua Mineral club held an enthusiastic meeting at the home of Mr. and Mrs. Leslie Roberts on South Pine street Wednesday evening. Twenty-two members and invited guests gathered in the delightful garden at 7 to partake of an appetizing potluck dinner. A long table, covered with red geraniums in a green pottery bowl, was set in the shade of a large walnut tree, while smaller tables were arranged about the lawn. The Roberts have an extremely beautiful garden and the flowers are now at their best.

After dinner a lemon pie made by Mrs. Roy Rose was sold, with Mrs. Jack Wharton receiving the pie. The money went into the club treasury. Everett Teater continued his talk on glass, a hold-over from the last meeting.

Jack Wharton, club secretary, read an interesting article on zeolites which was written by Leslie Roberts and published in the August number of "The Mineralogist." The article, called "New Find of Oregon Zeolites," describes a deposit of stilbite discovered by Everett Teater in the Little River area last spring. Mr. Roberts has received a great deal of favorable publicity as a result of this splendid article.

The guests then were taken to Mr. Robert's work shop and display room where his large collection of beautiful rocks and minerals was viewed with much appreciation and no little amazement. One need not be a mineralogist to enjoy the colorful collection which has taken much time, patience and labor to accumulate.

Mr. Roberts and A. R. Krollier conducted an interesting discussion on the smashing of the atom

and what may be expected in the future. A more timely subject could not have been chosen, in view of the recent launching of the first atomic bomb.

The remainder of the evening was spent in examining Mrs. Roberts' luxurious garden, with special emphasis on the hydrangeas and fuschias.

Among the invited guests were Mr. and Mrs. J. E. Dent, Mr. and Mrs. A. R. Koller and Mrs. Virginia Koller, Mr. and Mrs. W. M. Chalmers, Miss Nancy Roberts and Miss Betty Jane Roberts.

Members present were Mrs. Ella Hutchins, Mr. and Mrs. Leslie Roberts, Mr. and Mrs. Roy Rose, Mr. and Mrs. Theo Bond, and Mr. and Mrs. Clair Pettit.

T. N. T. CLUB IS ENTERTAINED TUESDAY AT McCULLUM HOME

A beautiful arrangement of dinnies graced the serving table used by Mrs. William McCullum Tuesday evening, when she graciously entertained the T. N. T. club at a charming eight o'clock dinner.

Covers were placed for: Mrs. Robert Keefe, Mrs. Graydon Hoover, Mrs. Earl Kennerly, Mrs. Sidney Moon, Jr., Mrs. Sherman Morris, Mrs. Fred Perry, Mrs. Leah Welch, Miss Agnes Pitchford and the hostess, Mrs. McCullum.

High score for the evening's pinocle play was won by Mrs.

Welch with Mrs. Kennerly receiving the low score. The gin rummy with Mrs. Moon receiving the low score. The club will be entertained at an eight o'clock dinner-supper the evening of August 28 at the home of Mrs. Cliff Thornton on the South Pacific highway.

R. A. E. CLUB HAS ENJOYABLE MEETING WEDNESDAY AFTERNOON

The Roseburg Art and Embroidery club met Wednesday afternoon at the home of Mrs. Margaret Rodgers. Petunias, gladioli, nasturtiums and potted plants were used as decorations.

The group enjoyed singing patriotic songs and visiting. An interesting article on the atomic bomb was read by Mrs. C. H. Bailey. A beautiful night blooming Cereus was presented to the hostess by Mrs. Ingels. At the tea hour Mrs. Rodgers served delicious refreshments for: Mrs. Henry Worthington, Mrs. C. H. Bailey, Mrs. Lucia Ingels, Mrs. C. W. Lawson, Mrs. J. G. Stephenson, Mrs. A. D. Hawn, Mrs. E. Rhoads and Mrs. H. F. Snyder.

The club will meet September 5 at the home of Mrs. Lawson at 545 Cobb street.
