Betting Shifts to Favor Cubs to Win Baseball Classic

By SID FEDER. CHICAGO, Oct. 6—(AP)—The Chicago Cubs brought their first half-way World Series lead in 37 years into their own back-yard today for another whack at the dazed Detroit Tigers.

On top of Wednesday's opener whitewash win, 9-0, this marked the first time any club has been blazed twice in the post-season since the Yankees shut out the Giants in the first two games in 1921, and then lost the series.

That's why the bookmaking gentlemen did flip-flop this morning. They not only zipped the Chicago champs up to 5 to 11 to take the whole pot, but for the first time in this series tabbed them in an individual game—5 to 6 in today's game.

Also, they liked Ray Prim, the greying, 38-year-old southpaw "mushballer" to top the forgotten man of this series, Lacy Trout.

It's the Cubs' first roll of the dice with a left-hander, and they're hoping 13-game winner Prim has better luck than two off-hand heavies the Tigers tried.

Hal Newhouse, who was practically pulverized in the opener, and Overmyer, who ran into the red-hot Passau and one had inning together yesterday.

Torrid Wrestling Bout Offered Fans: One of the hottest mat battles of the season is anticipated by Douglas county wrestling followers at the Roseburg armory tonight when Rufus Jones and Buck Davidson clash in a return engagement.

OREGON EXCHANGES

By Charles V. Stanton. There is one period in our day of work, when, with the paper put to bed, the noisy teletypes and clacking typewriters temporarily silenced, while the business office begins tapering off in preparation for closing, we turn to the Oregon exchanges.

But there are some types of editorials there "orter be a law agin'" such as the following from the Oregon City Enterprise: The other night at St. Paul's parish house, the King's Daughters provided the dinner for the Republican club as a routine parish activity in earning money to assist in the work of the church.

What made it so worthy of high praise and imperishable mention? It is not given to editors to know the secret, but but it was, in the first place, as all salads should be, cold. It was simple, too—tomatoes, cleanly quartered with a sharp knife and blossoming on the pristine plate, beneath which a leaf of crisp lettuce bore the tasty burden.

The deer season again is almost at hand and soon hunters will be blazing away at the landscape, sundry stumps, assorted foliage and each other. This reckless abandon is attributed to the fact that there is no bag limit on hunters.

And we find "Bill" Tugman, editor of the Eugene Register-Guard, somewhat concerned about "sticking his neck out" in offering suggestions concerning directional signboards along the Pacific highway, in commenting on demands of Mac Epley in the Klamath Falls Herald and News for a better indicator at Goshen, where the Willamette highway turns off toward the Klamath country.

One of the Crosby boys, brother of Bing, announces that a scientific organization with which he is connected has discovered a way to make harmless the atomic bomb. He probably has Bing sing it to sleep.

Roseburg High Indians Down Uni-Hi, 51 to 0

Running Plays, Dazzling Aerial Tactics Combine To Crush Visiting Team

Roseburg High school's fleet and hard-hitting football team uncorked a dazzling display of aerial fireworks and deceptive running plays to overwhelm a fighting, but hopelessly out-classed, University High school eleven, 51 to 0, at Finlay field last night, to post its second straight victory in league play.

Home-town fans were treated to a style of open football seldom seen on the local gridiron before and went for it in a big way. Coach Mel Ingram's tricky Indian eleven ran roughshod over the Golden Tide aggregation of Eugene to score eight touchdowns, two in each of the four quarters, and a safety for two points more in the final canto.

Two more touchdowns were scored by the wild-running Indians, but they were not counted, one because of an off-side penalty and the other for an unintentional clipping penalty.

It was an especially big night for big Bill Benson, Roseburg's left end, who was personally responsible for four touchdowns. The crafty and alert wingman not only reached up into the air to grab three beautiful passes for 18 points, but also snaggled a University fumble in mid-air and rambled 37 yards to score.

Edwin Harvey, Pope's running mate at right half, took a University punt on the visitor's 45-yard line and pivoted and scampered on the fast green turf through the entire team to score standing up in one of the most beautiful plays of the evening.

fullback, was injured early in the second quarter and was unable to return to the game. Coach Ingram later reported that he suffered possible pulled ligaments in his arm, but that the seriousness of the injury could not be determined until after X-ray pictures were taken. No other injuries were reported.

The Indians showed definite superiority in all departments of the game. The line displayed plenty of power and aggressiveness and stopped cold the Golden Tide running attack, holding the visitors to but two first downs. The Indians gained almost at will through the University line, which, along with a clicking aerial offensive, accounted for nine first downs. The Roseburg pass defense, noticeably weak against L.C. Eaton last week, showed definite improvement.

Roseburg's next contest will be against Springfield at Finlay field on Oct. 12. Lineups: Roseburg: Benson, LE; Hulsgren, B. Marsters, LT; Moore, McCown, LG; Brown, Lillard, C; Rodway, L. By LOTUS KNIGHT PORTER. W.C.T.U. HOLDS 53RD ANNUAL CONVENTION IN ROSEBURG WEDNESDAY

The 53rd annual convention of the Douglas county W.C.T.U. was held at the Baptist church in Roseburg Wednesday afternoon. It was opened with a song service led by Mrs. R. D. Knigge and especially inspirational devotions were led by Mrs. Forrest Hill, followed by a solo by Mrs. Knigge. Groups of members from the county unions including Oakland, Glendale, Lookingglass and Roseburg attended, bringing reports of their activities during the last year.

During the discussion period, the president, Mrs. Arthur Marsh, presented a program of the state officers which includes a two-day educational "Work Shop" to be held in Roseburg December 11-12 with the local union acting as host. This is a Southern Oregon conference for Klamath, Jackson, Coos, Curry and Douglas counties. Also plans were made to procure material for a Visual Aids and Educational program for this county. A director for this work will be appointed at a later date.

Mrs. Fred L. Southwick, state director of speech contests, reported 17 contests held in this county as follows: five bronze medals, one bar, seven silver, one gold and three ribbon. Mrs. Southwick reported five L.T.S.'s in Roseburg and one in Oakland and suggested a state rotating reward to the union having the greatest number of speech contest points. This feature will be worked out at a later meeting.

Mrs. F. M. Pratt was delegated by motion to have charge of the distribution of temperance literature. The unions reported sending many boxes of clothing, bedding and food to the Childrens Farm Home at Corvallis. One of the finest gifts was 225 boxes of pears given by Harry Winston for the Home canning project and three crates of canteloupes given by Lawrence Hercher and Paul Rummel of Hilliard.

The annual election of officers was held and Mrs. Arthur Marsh was re-elected president; Mrs. Mable P. Taylor, secretary, and Mrs. V. J. Micicell, treasurer, with Mrs. Louis Kohlhagen, Sr., being elected the new vice-president.

The business session was followed by a memorial service honoring the late Mrs. A. C. Marsters, who labored long and earnestly for the cause of temperance in the state of Oregon. Miss Mary Apra sang "At the End of the Road," and a period of silent prayer followed, after which the service was concluded by prayer given by Mrs. Marsh.

The convention closed with the Missal benediction. Prowler's Oversight: PORTLAND, Ore., Oct. 6—(AP)—A burglar, more scientific than domestic, didn't make any progress in a Portland home. Clem Johnson awoke and found his bed sprinkled with chloroform, a precautionary measure taken by the scientific prowler. However the intruder forgot to treat the baby's bed and the yawling child scared him away.
