COMMUNITY CONCERT ASSOCIATION MEMBERSHIP TO BE OPEN ONE WEEK

For one week only, October 22-27, the Roseburg Community Concert Association will be open for new members to join the organization for the 1945-46 season. All present members are urged to turn in their memberships as early as possible this week as only the number of memberships may be given out as the auditorium of the Junior High school will accommodate for the concert.

Only by the combined efforts of music lovers in Douglas county is it possible to have a Community Concert association and bring artists of world-renown to Roseburg in concert.

Newcomers in Roseburg desiring to attend the concert during the coming year, are asked to get in touch with one of the association workers or to contact the membership chairman, Miss Helen Casey, or the president, Miss Gladys H. Strong.

Members of the association have been given the opportunity to first renew their membership, before the annual membership drive opens next Monday. No memberships will be taken after the closing date of October 27 until next year's drive.

Beware Coughs That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel mucus laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Navy Marks Down Discharge Scores For Many Groups

WASHINGTON, Oct. 17 — (AP) — The Navy has marked down discharge scores for most of its personnel, with a goal of releasing more than 1,100,000 officers and men by New Year's. Previously the service had expected to send home only about 830,000 by Christmas.

Announcing cuts effective November 1 for all but a few classifications, the Navy last night also promised further reductions in point scores in December and January. The formula by which the scores are computed was left unchanged.

For most enlisted men the point score total was cut from 44 to 41. Further reductions to 39 on December 1 and to 38 on January 1 were promised.

Other groups affected by the change which steps up the Navy's discharge program by two months are:

Male officers, other than doctors—point total reduced from 49 to 46. Effective December 1 the score needed will be 44, and January 1, 43.

Wave officers—point total cut from 35 to 32 November 1; to 30 December 1; to 29 January 1. Enlisted Waves—total cut from 29 to 26 November 1; to 24 December 1; to 23 January 1.

3,200 Doctors to Be Released
Medical officers previously announced reduction from 60 to 53 points will become effective

NOTICE

Meeting date of Ladies Auxiliary, Veterans of Foreign Wars, changed to first and third Wednesdays of each month. Next meeting, Wednesday, Oct. 17th, at 8 P. M.

Poor Digestion? ☐ **Headachy?** ☐ **Sour or Upset?** ☐ **Tired-Listless?** ☐

Do you feel headachy and tired due to poorly digested food? To feel cheerful and happy again your food must be digested properly.

Each day, Nature must produce about two pints of a vital digestive juice to help digest your food. If Nature fails, your food may remain undigested—leaving you headachy and listless. Therefore, you must increase the flow of this digestive juice. Carter's Little Liver Pills increase this flow quickly—often in as little as 30 minutes. And, you're on the road to feeling better.

Don't depend on artificial aids to counteract indigestion—when Carter's Little Liver Pills aid digestion after Nature's own order. Take Carter's Little Liver Pills as directed. Get them at any drugstore. Only 25¢.

November 1. Further cut to 51 forecast for January 1.
The Navy estimates 3,300 doctors will be released by New Year's.

Nurses—present point score of 35 for unmarried nurses will be cut to 33 on January 1. All married nurses will be released by November 1.

Aviators—Navy expects to announce plan before November 1 for speeding releases. No change now in 44 total for fliers above rank of ensign and 36 for ensigns.

Mailmen and class specialists—become eligible for release under point totals of 44 for men and 29 for women on November 1. Previously not eligible for discharge under point system.

Yeastmen and stockkeepers—no reduction for present.

Seven specialist ratings which have been classified as essential will remain "frozen" with their personnel of 22,650 ineligible for discharge under the point formula. The Navy also reduced from 120 days to 90 days the maximum time officers may hold position after they become eligible for release under reasons of military necessity.

Govt. Loan Only Support For Late Potatoes

Late potato producers in Oregon are advised by R. B. Taylor, chairman of the State AAA committee, that the only method which the government plans to use to support the price of late potatoes is through Commodity Credit corporation loans.

These loans are available through the county offices of the AAA and enable the producer to realize at least 90 per cent of parity for his potatoes. Potatoes under loan may be redeemed by the borrower at any time. To enable more farmers to utilize the price protection offered by the loan, the Secretary of Agriculture has expanded acceptable loan storage to include pit storage, in areas where such emergency storage is practicable. This action follows prospects of a large surplus of potatoes due to the high production and reduced requirements. Producers should contact the county AAA offices to obtain full details on the potato loans and to make sure that their storage facilities will be acceptable. Deadline for accepting applications for potato loans will be December 15.
