The Weather

U. S. Weather Bureau Office Roseburg, Oregon. Forecast for Roseburg and vicinity: Light rain tonight and Friday; warmer tonight.

In the Day's News

(Continued from page 1) must be ready indefinitely to fight at the drop of a hat.

THIS business of military preparedness for ANYTHING that may happen is a big question. It must be approached with the utmost sincerity of purpose.

Universal military training may not be the way to remain as strong as we MUST be if we are to keep the peace.

IN this recommendation to congress, Truman shows courage. Universal military training for our young men ISN'T popular.

THE President indicates that he will ask industry to increase wages while at the same time HOLDING THE LINE on prices.

Failure to use the lower traffic laws when meeting cars at night resulted in many traffic accidents involving pedestrians and other cars in Oregon last year.

Labor should then do its part by honestly and sincerely attempting to increase production per man.

Increasing wages and then increasing prices to cover the cost won't do it. That can lead only to inflation of the kind that is already threatening to take most of Europe and Asia through the wringer.

It will take courage for industry to raise wages without raising prices, relying upon volume to cut costs.

Industry has NO POLITICAL POWER. It can rely upon government for no real help—for in these days government COUNTS THE VOTES, and industry hasn't votes enough in itself.

In every appeal to the LAW, industry will LOSE—for the laws are all against it. The laws are now so one-sided that industry no longer has its day in court.

INDIANS VS. FLU BUGS

By Charles V. Stanton

Probably the most downhearted man in Roseburg today is Coach Mel Ingram, athletic mentor at Senior High school. Coach Ingram has the sniffles. So has most of his ball club in fact, with the most important game of the season booked for Friday night, about half of Mel's first stringers are nursing colds, and the reserve list is as badly riddled.

It is possible that several of Mel's first string players will be unable to participate in the game against Cottage Grove Friday night due to severe colds. The picture is further blackened by the fact that a couple of the boys have leg injuries.

Mel has had his heart set on a district championship this year. It is within his grasp if his boys can beat Cottage Grove Friday. But Cottage Grove will not be an easy team to defeat. In fact, the Lions haven't lost a game since the 1943 season. They have a powerful fullback, a speedy halfback, and a couple of big, husky tackles who furnish defensive strength.

But despite the fact Mel may have to dig deep into his reserves for Friday night's game, we're not counting the Indians out until the contest is over. Roseburg can be mighty proud of its High school football team this year. True, they became a little overconfident and lost to Springfield's Millers as a result, but that was another lesson learned the hard way.

Present day members of the fair sex have been given a marked advantage over prewar counterparts through rigorous wartime conditioning, reports Miss Margaret Poley, assistant professor of physical education at the University of Colorado. Running and conditioning exercises, she reports, have increased shoulder strength 40 per cent, abdominal strength 70 per cent, agility 20 per cent, and endurance 100 per cent.

Headlight Glare Accident Cause

Failure to use the lower traffic laws when meeting cars at night resulted in many traffic accidents involving pedestrians and other cars in Oregon last year, according to the Oregon Safety Week committee.

Accident reports received at the office of the secretary of state in Salem indicate glare blindness as the cause in many pedestrian accidents. The driver of a car, temporarily blinded by glaring headlights, fails to see the pedestrian in the road in front of his car in time to avoid the accident.

The Oregon Safety Week committee urges drivers to observe this regulation as a means of preventing traffic accidents.

DIAL-LOG

Starlight Serenade at 6:30 to-night with the two singing stars Bea Wain and Nestor Chayres. Might add a couple of personal sidelights on the canaries of the show. Chayres was born in Durango, Mexico, hometown of the Mexican bad man, Pancho Villa, and his uncle was Villa's official photographer.

In every appeal to the LAW, industry will LOSE—for the laws are all against it. The laws are now so one-sided that industry no longer has its day in court.

Papooses Win, 28 to 0, Over Springfield

Superior Power, Speed Shown by Roseburg Team in Tilt With Millerettes

The Roseburg Junior High school Papooses, exhibiting power and speed both in the line and backfield defeated the Springfield Millerettes 28 to 0 on Friday Field Wednesday afternoon. The Papooses scored their first touchdown on the opening play of the second quarter after sustaining a drive from midfield, where Springfield faltered after taking the ball on the kickoff.

Springfield came back with its principal threat of the game, mixing passes with running plays to reach the Roseburg 20-yard stripe. Bonebrake intercepted Grimes' fourth-down pass to Harris on the Roseburg 15 and carried out to the 30 before being sprung. Bibby raced to the Springfield 49 and another scoring march was on with Darrell Blank packing the pignin on the scoring play from the Springfield 7, Rogers hitting center for the conversion.

A clipping penalty at the opening of the second half put the Papooses on a spot and forced a punt out to midfield. Grimes completed a pass to Edwards on the Roseburg 36 but the Papooses held for downs and took over on that spot. While the line opened up gaping holes in the Springfield line, Rogers and Bonebrake smashed through for good gains, and Blank and Orr reeled off yardage around the flanks. Blank carried the ball 15 yards to score and Rogers bucked through center for the extra point, putting the Papooses out in front 21 to 0.

Rogers got away a good kick-off which sailed over Grimes' head and was downed on the Springfield 16-yard line as the fourth quarter got under way. Springfield, firing under the heavy pounding, began kicking on second down, taking over on downs after Coach Hod Turner held substituted freely, but the Papooses still had a touchdown left in their systems. In fact, they put the ball over twice, but after Bibby had raced around end to score from the Springfield 39, the ball was called back for an offside penalty on Roseburg, and the Papooses, unable to gain, booted to the Springfield 24. Grimes punted out to the Roseburg 44, where, after two tries into the line had picked up only two yards, Bibby again went around end with Rogers converting on a play into the line to make a final score 28 to 0, with only five seconds left in the game.

Roseburg's line was particu

larly strong on defense and Springfield's principal gains were made by an especially effective passing combination, Grimes to Edwards, lanky left end.

Bibby, Bonebrake and Rogers in the Roseburg backfield showed excellent running ability, with Polrot making good selection of plays from the quarterback spot.

Table with columns: Springfield Pos., Roseburg Pos., Springfield Player, Roseburg Player. Lineups: Springfield Pos. Edwards LE, Jackson LT, Benson LG, Williams C, Alfred RG, McGuire RT, Hufstader RE, Orr Ranch Q, Grimes LH, Bonebrake Harris R, Anderson F. Substitutions: Springfield Knave, Allison, Anderson, Reynolds, Williams, Roseburg; Frimose, Anderson, Knappenberger, Plumley, Strickland, Webber, Egger.

Wrestlers to Aid Community Chest

A substantial portion of admission receipts from Promoter Don Owen's wrestling show at the armory Saturday night will be given to the Roseburg Community Chest for the 1946 campaign now in progress, according to Ray Ruebel, chairman. "This event will be of double value to Roseburg," says Mr. Ruebel. "In addition to the extra good card, the money will largely be turned back to help Roseburg's own chest drive."

Pugilist Suffers Skull Fracture in Knockout

OAKLAND, Calif., Oct. 25.—(AP)—Booker Washington, 166½-pound Sacramento, Calif., light heavyweight, is in the Highland hospital here today with a probable basal skull fracture received in his fight last night with "Silent" Escobar, 170, of Berkeley, Calif. Washington was felled by a terrific left hook in the fifth round of a scheduled six-round semi-final. His head hit the floor solidly, knocking him out. He had not regained consciousness at an early hour this morning.
