MANY NEVER
SUSPECT CAUSE
OF BACKACHES
This Old Treatment Often
Brings Happy Relief
Many sufferers relieve nagging backache
quickly, once they discover that the real cause
of their trouble may be liver disease.
The kidneys are Nature's chief way of rid-
ding the bloodstream of waste out of the blood.
When the kidneys become inflamed, waste
poisonous matter to remain in your blood. It
may cause nagging backache, joint aches,
pains, loss of sleep and energy, get-
ting up at night, swelling, puffiness under
the eyes, headache, and many other things.
Sometimes there is something wrong
with your kidneys or bladder.
Don't wait! Ask your druggist for Doan's
Pills, a standard medicine, used successfully
by millions for over 40 years. Doan's great
kidney pills will help the 15 million of
lucky folks who get backache from kidney

AMAZING DISCOVERY
IN A HEARING AID
Free Private Demonstration
Saturday, Oct. 27th, 1 to 8 P. M.
UMPUKA HOTEL

A big improvement has been
made in a hearing aid and now wel-
come by thousands. It is a new
hearing aid that does not require
separate battery pack, battery
wire, battery case or garment to
bulge or weigh you down. So
small it fits the palm of the hand.
About one half the weight and
bulk of most hearing aids. The
tone is natural, noiseless, clear
and powerful. Developed by the
Beltone Laboratories of Chicago
and backed by many years of
electronic experience, this new
device is receiving nationwide en-
thusiasm among the hard of hear-
ing. In Oregon and Southern
Washington it is distributed by
James Taft and Associates, who
have been serving the deafened
since 1934.
Mr. S. C. Mitchell well known throughout Southern Oregon
for his work among the Hard of Hearing is associated with
Mr. Taft.
For a free private demonstration of this amazing new hear-
ing aid or a free descriptive booklet see Mr. Mitchell at the
Umpuka Hotel.
