He's Still a Long Way from Home!

...Yes, the war was no pink tea. With V-J
Day many a fighting man was too tired to
think. For a long time we're going to have
to do a lot of “thinking” and “doing” for
the men who have done their part in win-
ning the complete victory.

...That will cost money. There were
well over a million casualties during this
most destructive of wars. Many of these
men will have to have medical care
and treatment for a long time to
come. Others need guidance before
they can return to normal life. Mil-
lions of dollars will be needed for

this and other rehabilitation work.

...That's why this Victory Loan is so im-
portant. It's your chance to prove to your
fighting men that they are not forgotten
... that we can never repay them for what
they have done

...Gaze deep into your heart—and re-
member and act. Victory has brought us
tremendous obligations. Every American
must do his part in this great task.
Right now, our job is to buy more
bonds than ever before during the
Victory Loan. Buy them in humble
gratitude—buy them now.
