Grangers Grow Social Crops that benefit all Oregonians

MAIL BOXES along country roads are symbols of a Grange achievement.

Oregon was one of the first States to have rural delivery of mail. The route, south of Salem, was established on an experimental basis in 1898. The success of this and similar routes in other parts of the country led to the extension of R.F.D. to every part of America.

Projects of this nature are as vital a part of Grange policy as better agriculture itself. That is why 28,000 progressive farmers belong to the Oregon State Grange—why membership continues to grow—why the Grange is a dominant force for social progress.

Information about the purpose and accomplishments of the Oregon State Grange is contained in a booklet "Let's Look at the Record". Contact your local Grange for copy, or write direct.

NOV. 21, 1945

AN IMPORTANT DATE FOR
THOUSANDS OF ARMY VETERANS
NOW IN CIVILIAN LIFE

BETWEEN now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new peacetime Regular Army. Because—men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the same grade as they held at the time they were discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class.

Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

"BEST JOB IN THE WORLD"

Can you think of any other job that gives you good pay, food, clothing, quarters, medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of 200 skills or trades, and enables you to retire with a life income any time after 20 years' service?

There isn't any! That's why a job in the new peacetime Regular Army has been called "The Best Job in the World."

These are only highlights of the new Armed Forces Voluntary Recruitment Act of 1945. Every American should know the full story. Stop at your Army Recruiting Station and get all the facts.

2. Enlistment age from 17 to 34 years inclusive, except for men now in the Army, who may reenlist at any age, and for former service men, depending on length of service.
3. Men reenlisting within 20 days after discharge and before February 1, 1946, retain their present grades. The same applies to men discharged between May 12 and November 1, 1945, who reenlist before November 21, 1945.
4. The best pay scale, medical care, food, quarters and clothing of any army.
5. An increase in the reenlistment bonus to \$50 for each year of active service since such bonus was last paid, or since last entry into service.
6. 20% extra pay for overseas service.
7. A paid furlough (up to 90 days depending on length of service) with furlough travel paid to home and return, for men now in the Army who enlist.
8. A 30-day furlough every year at full pay.
