**but not too big to be friendly**  
YES, we're the "big" hotel. And because we are the big hotel, statesmen and diplomats, Admirals and Generals, and lots of movie stars just naturally come to The Olympic. Of course we're happy to have them, but actually we are as anxious, in fact more anxious, to have our Northwest neighbors, the apple grower from the Wenatchee Valley, the lumber man from Oregon, the mining man from Spokane, the merchant from Portland.  
This is their home in Seattle and we want them to use it. We envision The Olympic as being a sort of headquarters for our neighbors from all parts of the state when they are in Seattle. The place to which citizens of the Northwest come just as naturally, and feel just as much at home, as do citizens of the world. And that is precisely what we would like it to be.  
So when you come to Seattle, come to The Olympic. You'll find that while we're big, we're not too big to be friendly. That we are going "all out" to deserve your business. And you'll be surprised at the reasonableness of the bill, too!
