NEWCOMERS INVITED TO GET-ACQUAINTED PARTY NEXT WEDNESDAY

A get-acquainted session for newcomers into the community within the last two years will be held again this Wednesday from 2 until 4 at the armory. This is scheduled by the Roseburg Recreation program and it is the hope of the committee to extend a hand of welcome to strangers in the community in this way. At the last session it was suggested by some of the newcomers that a representative from each lodge, club or civic organization attend and extend a personal invitation to these new residents who might have been affiliated with like organizations in other localities. Also a request has been made for the privilege of attending the session by residents who have lived in Roseburg longer than the two-year period. As a result of the various requests next Wednesday will be open house for all ladies in the community. Since there are a number of ladies who prefer not to play cards the committee suggests that you bring sewing or just come and visit with the others.

American Legion Auxiliary Activities

By MRS. CLAUDE BAKER
Versatile Vice-President Mrs. Nance Atkins presided at the regular meeting of the Umpqua unit Tuesday this week. The president, Mrs. Myrtle Wenger, is attending the National Legion convention in Chicago and during her absence of several weeks Mrs. Atkins will fulfill her presidential duties.

Mrs. Atkins, who is also membership chairman, would urge all eligible women to join the Legion auxiliary at this time. She would remind us that it is an honor given their womenfolk by the service of a loved one in either war. Many young service men are becoming active members of the Legion and their wives, mothers or sisters will wish to belong to the Legion's auxiliary. Mrs. Atkins has stated that this is an organization in which money cannot buy a membership. She also would like to urge service men newly discharged to immediately take their discharge papers to the county clerk's office for recording.

Wounded and disabled veterans in government hospitals, state institutions or rest camps are again to be remembered by a grateful country at Christmas time by "Gifts for the Yanks who gave." Friends are urged to buy a gift for a boy and leave it at any gift box of the various stores around town. These gifts are not to be gift-wrapped. The Legion chairman, Jack Maris, and the auxiliary chairman, Mrs. Ruth Rhoden, will collect all gifts and send them to the receiving center at Portland. Last year over eight million gifts were given these hospitalized veterans. To provide for all patients this year, that number must be increased.

Following the meetings Mrs. Bonita Skilling, teacher at Fullerton school, entertained the joint groups with exhibits from the Gold Coast of Africa. Her brother, Jack, was an engineer there just prior to the war and the native drums, ivory war imple-

ments and basketry shown by Mrs. Skilling is such as cannot be obtained now by the service men over there. Mrs. Skilling demonstrated the native drums and told stories of adventure and witchcraft on that Coast. The auxiliary entertained the Legion in the dining room following the program. The next meeting will be Dec. 4, when the Legion will entertain the auxiliary and the Dec. 18 meeting will be a Christmas program presented by the auxiliary. Friends are asked to keep this date in mind.

Radio Chairman Vera McClintock Jones has been ill for several weeks but is now out of the hospital. On last Sunday night's radio program this writer again "pinch hit" for Vera and for her, presented the grateful thanks of the entire unit for the kindness and cooperation of KRNR during the four years we have been on the air. It was in the fall of '41 during the presidency of Mrs. Baker that Sue Parkinson started the programs which have continued with only summer vacations since that time. The auxiliary would wish station KRNR happy birthday for we understand radio has now passed its 25th year. We also would like to call your attention to the fact that the Legion now has a radio program at 8 o'clock on the opposite week following the auxiliary 15 minutes.

Both the Legion and its auxiliary are happy to congratulate Orle Kennerly on his recent graduation in Washington, D. C. Legionnaire Kennerly will make an able service officer.

IT'S ALWAYS DARKEST BEFORE THE DAWN

WE HOPE that saying is true, for the laundry situation has never been darker. Laundry service is unsatisfactory simply because there's a shortage of workers. It won't improve unless and until help is again available. But we'll still do everything humanly possible to serve you promptly and efficiently, and we'll still continue to look everywhere for additional workers. Help us by continuing to be patient and good humored, won't you?
