Stolen Papers Were to Be Shown Senate, Claim

HOBOKEN, N. J., Dec. 4. — Tyler Kent, 34, American career diplomat jailed by the British nearly five years on charges of larceny of an embassy document, arrived home aboard a British steamer today and declared "I did take certain documents from the embassy to my apartment, but it was for the purpose of turning them over to the United States Senate."

"I considered," said Kent, "that those documents contained information which the Senate and the people of the United States should know about."

Kent declined to describe the documents or give their number, but said they "related to the foreign relations of the United States, and I don't want to be more specific at this time."

"UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when it gets blocked it fails to digest properly.

Get Carter's Pills right now. Take them as directed. They gently and effectively "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive juices can then do their job. You get genuine relief that makes you feel really good again.

Borrowed Time

PORTLAND, Ore., Dec. 5. — (AP) — Judge John B. Seabrook slapped an extra-heavy city jail sentence on a man hauled up before him for drunkenness. The culprit had been a frequent offender, and a month ago the judge gave him a parole and lent him \$10 for a pair of shoes so he could accept a "promising job." The man promised to repay the loan on his first payday.

When he came up before Judge Seabrook again, the judge remembered the loan. The offender got 120 days.
