IT'S ALWAYS DARKEST BEFORE THE DAWN

WE HOPE that saying is true, for the laundry situation has never been darker. Laundry service is unsatisfactory simply because there's a shortage of workers. It won't improve unless and until help is again available. But we'll still do everything humanly possible to serve you promptly and efficiently, and we'll still continue to look everywhere for additional workers. Help us by continuing to be patient and good humored, won't you?
