Mr. Young urged the women to take more interest in the tax program, to study the subject from many angles and to acquaint themselves thoroughly on all tax problems placed on election ballots. He discussed taxes already voted, the paying power of the taxpayers and of Oregon's general prosperity at this time. He reported that the state tax commission is making every effort to improve the tax program and bring outside industries into the state.

The next club meeting will be at one-thirty o'clock at the Presbyterian Church parlors February 5, with Mrs. H. D. Scott and Mrs. Foster Butler, co-chairmen of the hostess tea committee, assisted by Mrs. J. D. Osborn, Mrs. H. M. Jacobson, Mrs. George M. Brown and Mrs. J. F. Barker. THINK OF THE FUTURE

Every serviceman should be thinking about the value of the American Legion to his postwar life. If he will study the records and principles of the Legion, he will be ready to cast his lot with this great organization. The American Legion's record, since 1919, has been one of patriotic endeavor which stands out like a beacon in a period when many Americans forgot to be patriotic. It has withstood all attacks of non-patriotic, indifferent and subversive groups, and many of the Legion's aims became a part of government policy when war came. The Legion's policy is needed, too, in peacetime.
