THE SMART FAMILY

"YOU know something Joan Smart said to me set me thinking hard. She was getting Hal—that's her youngest—an after-school snack from her refrigerator. And I said—kidding—because I've known the Smarts for years—I don't see any 'bottles' there—where do you keep 'em? And then Joan said, Of course, Sally, you know we don't keep 'em anyplace—but if I did, I would be ashamed to open my refrigerator to the children. I would feel like I was actually running a liquor store—in my kitchen...and inviting minors to participate. And maybe that is something for all of us parents to think over—hard!"
