THE SMART FAMILY

Just like old times—to have the gang back and cuttin' a rug at the Smart's. Here I am, just one day home, and Tom Smart—that's the guy making like a "hot rock" pilot—says, "Better come over tonight... the gang wants to celebrate your return, 'Mr. Smith.'" And right away I says, "Roger!" because we've always had fun at the Smart's—plus milk shakes, cola punches... and FOOD! And boy—that always means a HIGH TIME with never a hangover. Yes, sir—fun time at the Smart family is one of those things I marked up to do when I got back home.
