Truman Appoints Two
WASHINGTON, March 21.—(AP)—President Truman today announced his selection of Rosel H. Hyde of Idaho to be a member of the Federal Communications Commission.

Hyde has been counsel for the FCC.
The President also announced the reappointment of J. Russell Young as a member of the District of Columbia Commission, under which the City of Washington functions.

Hyde, the President said, was selected for the Republican vacancy on the FCC.

Baseball, Track Schedules Drawn For Roseburg High

Spring schedules for track and baseball teams at Roseburg High School were announced today by Coach Mel Ingram. The schedules were drawn up at Salem in a state high school activities conference which Ingram and Ormer J. Monger, principal, attended last week.

Track will open April 11 and 12 with interclass meets, Ingram said. The inter-school schedule includes a meet with Cottage Grove in Roseburg, April 20. The Indians will also run at the Hayward relays in Eugene, April 19; the tri-county meet, Eugene, May 3; the district meet, Eugene, May 10 and 11, and the state meet at Oregon State College, Corvallis, May 17 and 18.

Home-and-away baseball schedules have not been arranged to date, Ingram said, but home games with Springfield, Junction City, University High, Eugene, Grants Pass, Medford, Myrtle Creek, and a few more "B" schools have been scheduled.

Coach Homer Gray's tennis team will play Grants Pass, Medford, Klamath Falls, Springfield, Corvallis, Salem, and Eugene in home-and-away games.

Tentative football schedules for next autumn were also planned, Ingram said.

While they were attending the conference in Salem, Monger and Ingram also went to sessions of the state basketball tournament. The three outstanding teams there were Eugene, Medford and Lebanon, Ingram said, and a number of teams in the state tournament were not able to finish better than the lower division teams in the Tri-County League, of which Eugene was champion, the Roseburg coach reported.

Magazine Has Article by Highway Engineer Lytle

The current issue of Western Construction News, a trade magazine published at San Francisco, carries an interesting article by K. D. Lytle, of Roseburg, division engineer of the Oregon State Highway Department.

Mr. Lytle has furnished a detailed and technical report on construction features of the Grave Creek-Coyote Creek section of the Pacific Highway, involving expenditure of \$250,000 for grading and surfacing 4.4 miles of new roadway, on which 4,218 degrees of curvature will be reduced to 480 degrees and the number of curves reduced from 100 to 10. The project, Engineer Lytle points out, is characterized by heavy excavation and improved embankment stabilization procedure.

Boy Scouts, Parents to Unite in Rally Here

Boy Scouts and their parents in the Douglas District will hold a rally at 7:30 tomorrow night in the Roseburg Armory, it was announced today by Dave Taylor, chairman of the camping and activities committee. The program will include entertainment and demonstrations of Scouting activities.

The committee in charge of the rally includes, in addition to Taylor, V. V. Harpham and Jim Stoop.

The Douglas District of the Boy Scouts includes communities in the county from Drain to Glendale.

Two Courts Levy Fines On Traffic Violators

Two traffic violators were fined today by Justice of the Peace Thomas C. Hartfel, he reported this morning: Fred H. Wolke, overload, \$10, and William T. Evan, Jr., overload, \$25.

Two other traffic violators were fined yesterday by City Recorder A. J. Geddes, he reported this morning: Thomas Lamoureux, operating a car without a driver's license, \$15, and George F. Hughes, speeding, \$7.50.

DAILY DEVOTIONAL

DR. CHARLES A. EDWARDS
"May the good Lord grant you happy landings," said the Chief of Army Chaplains as he grasped the hand of Bishop Adna W. Leonard, just before the latter climbed into a trans-Atlantic plane in April, 1943. "Especially if one is the final landing," replied the bishop. Soon he was off on the first lap of a tour to visit the United States forces in Great Britain, North Africa, India and China. He was in the representative of Protestants of America. On Easter Sunday, Bishop Leonard spoke at an open-air service in Hyde Park, London. He made the rounds of the American camps. Next he preached in Wesley's chapel, London, and then came the trip to Iceland. On Monday, May 3, there was a plane crash and Bishop Leonard made the final landing. He was in the line of duty and finished his course with joy in far away Iceland, where he lies at rest. This final landing was a happy landing for the bishop, like John Wesley at the close of a long life, could say, "The best of all is, God is with us." "Servant of God, well done. Thy glorious warfare's past, the battles fought, the victory's won, and thou art crowned at last."—Amen.

Two Resignations End School Students' Strike

UNION, Ore., March 21.—(AP)—The resignation of the superintendent and another teacher has ended the walk-out of 130 Union High School students, who protested the school board's failure to rehire two "favorite" instructors.

The pupils, who struck Monday upon learning that Coach William Durant and Lawrence Lopez, manual training teacher, had not been re-hired, filed back to classes yesterday.

Student action followed the board's accepting the resignations of Supt. William Meisinger and Orman Weaver, agriculture instructor. Board members refused to change their decision on Lopez and Durant, who said the board accused them of "failure to cooperate."

Durant and Lopez have left school, but Meisinger and Weaver will complete the term.

Hammer-Gun Attack on 9-Year-Old Girl Charged

JOILET, Ill., March 21.—(AP)—State's Attorney James E. Burke today issued a warrant charging assault with intent to kill against James F. Lincoln, Jr., 30, son of a wealthy Cleveland industrialist, in connection with the hammer beating and shooting of a nine-year-old girl yesterday.

Victim of the attack, Carol Williams, daughter of Mr. and Mrs. George Williams, who live on a farm four miles east of Joilet, suffered a possible skull fracture, the result of the hammer blows, bullet wounds in the right hip, in the upper arm and shoulder and in the left side of the chest.

Fillet Price Boost Asked
ASTORIA, Ore., March 21.—(AP)—Lower Columbia fish buyers want the OPA to boost the ceiling price on consumer packages of filets, to pay for the cost of containers suitable for civilian trade.

Buyers said military needs for five and ten-pound lots took nearly all the filets during the war.

Truman Will Omit Candidacy Phase In Talk to Demos

WASHINGTON, March 21.—(AP)—President Truman said today that he would make no announcement on Saturday night that he will be a candidate for reelection in 1948.

The chief executive is scheduled to speak then to a Jackson day dinner sponsored by the Democratic National Committee. He told a news conference it would be a political speech. But he replied in the negative and with a chuckle to an inquiry whether he would announce at the time his candidacy for reelection.

Politics figured in the news conference at another point when Mr. Truman was asked whether he agreed with Secretary of Commerce Wallace that party members who get out of line should be disciplined.

The President laughed and said that he and Wallace never had discussed that, but it is necessary, he added, to hold the party in power in line to get its program over.

There is no set way of doing that, he said, although several plans have been tried—none successfully.

The President remarked that he would have no objection to Republicans joining with Democrats in putting over progressive measures. In fact, he said he would be happy to have them so it.

Mrs. Cecilia Banister Funeral Services Set

Mrs. Cecilia Banister, 68, resident of Myrtle Creek for eight years, died at her home Tuesday. She was born Dec. 28, 1877, in Rensselaer, Indiana, and lived a number of years in Chicago before coming to Oregon.

Surviving are her husband, Ernest W. Banister, Myrtle Creek; one brother, Nelson Griggs, Shelby, Indiana; one sister, Mrs. Evelyn Mallico, Walcott, Indiana, and a number of nieces and nephews.

Funeral services in charge of the Roseburg Funeral Home will be held Saturday, at 2 P. M. in the Methodist Church of Myrtle Creek with Rev. E. W. Perry officiating. Interment will be in the Odd Fellows cemetery in Myrtle Creek.

Longshore Head Spurns Wage Increase Offer

SAN FRANCISCO, March 21.—(AP)—An hourly pay increase of 23 cents, five cents of which would be in lieu of an annual vacation, has been rejected by Pacific Coast CIO Longshore Leader Harry Bridges.

The increase, which would bring hourly pay to \$1.38 and overtime to \$2.07, was offered by Pacific Coast waterfront employers yesterday as a counter offer to demands by the dock workers for \$1.50.

Bridges quickly informed employees he was "definitely not interested" and charged that the offer was "double talk."

Bank Messenger Faces Embezzlement Charge

PORTLAND, March 21.—(AP)—A federal complaint was on file today charging Ralph Waldo Rees, 23-year-old messenger, with embezzling \$136.75 from funds of the United States National Bank.

FBI officers accused Rees of taking the money from depositors' letters.

Klamath Falls Child Killed by Blow of Auto

KLAMATH FALLS, Ore., March 21.—(AP)—James Raymond Hermant, 5, son of Joseph L. Hermant, died at midnight Wednesday of in-

juries sustained a few hours earlier when he ran in front of a car operated by Roberta Allen Lee, 17-year-old high school student. State Police said the child ran from a driveway onto State Highway 66 and the driver was held blameless for the tragedy.

Toy Railway Sound Invention Success Of Blind Genius

NEW YORK—Eric Carlson, 29-year-old lawyer, who is a miniature railroad fan, has equipped his model railroad system of four locomotives and 35 pieces of rolling stock with complete sound effects.

"I have actual recordings of locomotives going through mountain tunnels, across prairies, the sound effects of cars going over rails where they cross rails—you know, real railroad sounds," Carlson explains.

So whether one of his streamliners or an old fashioned engine is coming into the station you can hear the sounds of sand being put on, brakes being applied and steam being let off.

The reason Carlson is so particular about the sound is that he is blind.

Before a childhood affliction deprived him of his sight he watched trains making up in a Staten Island yard and the sights still stand out vividly in his memory.

Army Menus Reduced in Food Conservation Plan

WASHINGTON, March 21.—(AP)—In line with President Truman's food conservation plan to help feed a hungry world, the Army is tightening its belt.

The quartermaster corps has revised its master menus to cut by six and one half pounds for each vegetable the amounts of canned asparagus, beans, spinach and tomatoes served to 100 men.

Mess cooks in preparing meals for 100 men also will fix only 10 pounds of beef instead of 15; 20 pounds of cabbage instead of 25 and 65 pounds of potatoes instead of 75.

Bread has been cut from 15 pounds to 12 for each 100 men at each meal. There are also smaller portions of breakfast foods.

Ex-Eugenean Will Head Regional Office of VA

SEATTLE, March 21.—(AP)—Lester H. Hall, veteran of both wars, was named manager today of the regional office here of the Veterans Administration, effective April 1.

Hall, a native of the north-west, was a colonel in the Army. He was with a Eugene, Ore., lumber company many years.

Coos Bay Iron Works Ordered to Cut Charges

SAN FRANCISCO, March 21.—(AP)—The regional OPA yesterday ordered Coos Bay Iron Works to reduce its service charges from \$2.50 to \$2 an hour—the rate effective in 1942.

The company said the 50 cent increase was put into effect following wage increases in 1943.

Missing VANCOUVER, Wash., March 21.—(AP)—Clark County's huge road grading machine—one with a 12-foot blade—has disappeared.

Road crewmen parked it on a lonely road two months ago. When the county commissioners called for the grader, it was gone. Crews said they had left it unguarded as customary—because nobody ever expected to lose anything that big.
