DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

"I can do all things through Christ." "Can do" is the motto of the "fighting Seabees." On the wall of their office are the following signs: "The difficult we do immediately; the impossible takes a little longer." "Can do" is the motto of these versatile men, able to turn a hand to any task, whether it be to build barracks, restore blasted docks and bridges, lay an airfield or fight off the invading enemy. Talented, trained, equipped, they are confident of their ability and eager to show what they "Can do." "I can do all things through Christ," should be the motto of every Christian man and woman. Equipped with the whole armor of God, trained by the Master Teacher, led by the King of Kings and Lord of Lords, what confidence should be ours. George Washington said, "With my prayers I mix my labors, and sometimes God is pleased to bless the result." What an encouraging thought that the Christian goes forth equipped with the strength that God supplies through His beloved Son. No enemy can defeat us, no peril alarm us, if we put our trust in God.

MOTHER NATURE KNOWS BEST

WHAT'S LAND SUITED FOR?

Nature has the answer. Sometimes man has ignored Nature, and has tried to use land in ways for which it is not suited. Sometimes, he has tried to grow cultivated crops on land best adapted for growing trees. Today, forests are reclaiming much of this land... growing your TREES FOR TOMORROW.

The farmer recognizes these differences. He produces annual crops on certain lands. His cattle graze in neighboring pastures. And he grows forest crops on woodland, which is less suited to other purposes.

Farm forests, properly managed, produce continual income as well as supplies of wood needed on the farm. They help reclaim overworked earth, prevent erosion and soil starvation. They

are a major source of supply of timber needed for our expanding uses of wood.

You can help provide the trees for tomorrow, which, in turn, will provide your homes, paper, fabrics, plastics.

Follow these simple rules to help KEEP AMERICA GREEN:
RULE ONE: Watch that match! Break it in half before throwing it away.
RULE TWO: Watch that cigarette and cigar. Stamp them out into the earth. Bury your pipe ashes in the soil.
RULE THREE: Watch your campfires. Make sure they are out before you break camp.

Do You Need Drain or Sewer Pipe

Bring in your drainage problems to us as we have all sizes of concrete pipe to take care of your needs. We stock Concrete Pipes, sizes from 4" to 24". Consult us for the size and kind of pipe you need for your drain problem.
