

New Businesses Open at Sutherlin

SUTHERLIN.—Two new businesses opened in Sutherlin the past week. M. L. Conn of Portland opened the Sutherlin Laundry on First avenue, in Brown's Hatchery building which is also occupied by the Sutherlin Dry Cleaners. The laundry consists of washing, steam drying and ironing rooms, and is equipped for rough dry and finished work.

Monday Solberg's grocery and general merchandise store, opened on East Central avenue. The store occupies a new concrete building. Mr. Solberg, who has had many years' experience as a grocer, hopes to complete his stock soon.

Two other businesses in Sutherlin changed hands recently. M. C. Garage on East Central avenue was sold to Russ Coult of Bremerton, Wash., and Bud Coult of Longview, Wash., who have formed a partnership. The former owner is L. E. Moore.

Mrs. W. C. Watson, owner of Watson's Style Shop for the past two years, sold her business to Mr. and Mrs. Harry Scroggins of Portland, last week, and possession was given at the date of sale. Mrs. Blanche McCulloch, who has been employed at the store for several months, has been retained by the new owners.

Special Payments Offered to Boost Seed Crops Output

Because of the critical shortage of alfalfa, red clover and alsike seeds, special poundage payments will be offered to encourage increased harvesting of these seed crops in 1946. John J. Ferguson, chairman of the county AAA committee, announced today.

He advised county producers that payments will be computed on a clean seed basis on seed harvested and sold into commercial channels before January 1, 1947. Rates of payment are 7 cents a pound on alfalfa and alsike clover seed, and 9 cents a pound on red clover. He pointed out that these 1946 rates are considerably higher than the 23 cents and 34 cents rates for similar payments in 1945.

Oregon's 1946 production goals for these three seed crops call for 10,000 acres of alfalfa seed, an increase of 43 per cent; 20,000 acres of red clover seed, and increase of 54 per cent, and 30,000 acres of alsike clover seed, an increase of 300 per cent.

In addition to the poundage payment, Mr. Ferguson said, acreage payments of \$3.50 an acre up to \$35 per farm are offered for harvesting red clover, alfalfa and alsike seed.

He also reminded that producers who have not filed a 1946 farm plan will need to do so before May 1 if they intend to take part in the 1946 agricultural conservation program.

fore May 1 if they intend to take part in the 1946 agricultural conservation program.

Pie Social Planned—Riverdale Community Club will hold a pie social Friday night, April 12, at the schoolhouse. Each lady is requested to bring a pie. The pies are to be auctioned and proceeds will go toward a 4-H scholarship. Pie will also be sold by the piece and coffee will be furnished by the committee. An interesting program will be followed by a social hour of dancing. The club members and all friends are invited.
