Fish Story
BAXTER SPRINGS, Kas., April 12—(AP)—Besides the big one that got away, Fisherman Virgil Tyler had these events to bemoan:
The "big one" broke his pole and Tyler lost his line; his minnows died; he lost his fishing light and a string of 12 crappies; he leaned over to adjust a line and his billfold fell into the water, and when he tried to retrieve it he fell into the lake.
Two companions rescued him.
