

Cubs, Browns Win Over Cincy, Tigers In Ninth Inning

(By the Associated Press)
The Chicago Cubs, who last year equaled a major league standard by trimming the Cincinnati Reds 21 times in 22 meetings, are off to a good start today in an attempt to duplicate the performance this year against the weary Redlegs.

Yesterday's 11-7 triumph coming on the wings of Cavarretta's home run which highlighted a five-run spurge in the ninth inning, was Chicago's second straight win over the Rhinelanders, both victories coming in the final frame.

Famous Cereal Brought Relief When Medicines Failed

If you need constipation relief, read this sincere, unsolicited letter:

"Pardon me for writing this unsolicited letter, but I must praise Kellogg's All-Bran for the relief it brought me when medicines failed. I suffered from constipation for 40 years. About 2 months ago I began eating All-Bran every day. Now I no longer suffer from constipation and I get up in the morning feeling like doing a day's work. I am 78 years old." Mrs. Effie O. Spurgeon, R-2, Montrose, Missouri.

You, too, may never have to take another harsh laxative for constipation due to lack of bulk in the diet—if you eat KELLOGG'S ALL-BRAN every day, and drink plenty of water. Try it for ten days. If not completely satisfied, send empty carton to Kellogg Company, Battle Creek, Michigan. Get double your money back. ALL-BRAN is not a purgative. It's a wholesome and nutritious cereal that provides gentle bulk helpful to normal bowel movements.

Louis Browns counted twice on a pair of hits, two walks and Stephens' fly to defeat the Bengals 7-6. The Browns had whittled the Tigers' lead to one run in the previous inning when Judnich, back after three years in the Army, blasted a two-run homer.

The Giants kept pace with the Cubs by defeating Philadelphia 5-2 for their second straight over the Phillies.

Cleveland and Boston's Red Sox were the only other teams to keep their 1944 slates clean. The Indians continued to get fine pitching as Reynolds hurled a five-hitter against the Chicago White Sox to help Cleveland win 7-1. Keltner paced the Tribe attack with a pair of homers and a double which drove in four runs.

The Red Sox staged a slugging bee against five Washington throwers which netted them 15 hits and a 13-6 decision over the Senators.

Philadelphia's Athletics evened their series with the New York Yankees when they hopped on Gumpert for five runs in the seventh inning to beat the Bronx Bombers 7-1. Old Bobo Nedom made merry with the Yanks as he silenced their bats with three safeties.

Southpaw Lanier celebrated his

return to the big leagues by blanking Pittsburgh with seven scattered singles as the St. Louis Cardinals defeated the Pirates 6-0. Rookie Hank Bohman, a 24-year-old righthander who was purchased from Montreal only last Monday, turned back the Boston Braves with nine scattered hits as Brooklyn evened the opening series with a 4-2 victory.

At Los Angeles Red Lynn limited Sacramento to two hits for a 7-0 win in the nightcap. It was the Angel hurler's second consecutive shutout and his fourth win of the season against no defeats. The Angels have won seven straight games.

Hollywood's long-winded 5-4 victory over Portland came on Williams' triple that drove in Lupien, who gained first on a

In other league tilt, Hollywood took 14 innings to push last year's champions, the Portland Beavers, deeper into the cellar with a 5-4 win while San Diego was edging out the Seattle Rainiers, 5-4.

The score had been tied up in third, eighth and 13th innings.

How to make your Easter table attractive

Whether your Easter celebration includes only the immediate family or whether you make the day one for entertaining, the occasion calls for table decorations. Here's an idea that may be used for almost any Easter party and for every age group, too.

The first thing to do when planning your decorations is to decide on the color scheme. Your tablecloth or place mats may be the key to the colors you'll use. Place mats simplify the laundry problem, but you may prefer an all-white or pastel cloth. If white is your choice then any color scheme may be carried out in the decorations.

EASTER BONNET CENTERPIECE

The main attraction of our centerpiece is a hatbox. It may be either round or square, small or large, and it doesn't have to be a fancy one. Ours is covered with gay striped gift paper, but the same effect is obtained by covering the hatbox in plain pastel colored paper and pasting on contrasting stripes. (Vegetable glue makes a neater job of this, for it doesn't come through the paper.) Plain or figured shelf paper, wallpaper or crepe paper may also be used. Use real ribbon of harmonizing or contrasting color or crepe paper to tie up the box and form the bow. Line the box with pastel-colored tissue paper, tilt the lid and let sprays of spring blossoms or flowers, pussy willows or green leaves hang out over the side.

Place one or two toy bunnies (or you could use a pottery bunny, chicken or duck, or a covered hen dish) by the hatbox. Arrange flowers or decorated Easter eggs and leaves around the hatbox to complete the centerpiece.

The same idea may be carried out in the favors. Cover small boxes similarly, but place the lid on the box. Then when the box is opened, there could be a "surprise" opening course, dessert, or favors such as candy Easter eggs or small gifts.

DON'T BE A Mr. Put-it-Off!

TIME TO CHECK YOUR TRACTOR IS NOW

Check Your Equipment Early This Year!

It's good business to take a look at your farm machinery early. New equipment is mighty scarce. That tractor of yours is vital!

Check the air cleaner, the oil filter, the radiator. How does it start? Is it lubricated according to your instruction book? Make all the adjustments you can safely do yourself right on the farm.

Don't Gamble! Have Your Dealer Make the Major Repairs

We have the facilities and the trained personnel to do a thorough job of reconditioning from minor valve settings to the final repaint.

Insist on Genuine Replacement Parts!

It pays to replace worn and broken parts with precision-fit duplicates made in the same factory as the original machine. Insist on genuine "Caterpillar" and John Deere parts.
