Seals, Angelenos Neck and Neck at Coast League Top

(By The Associated Press) San Francisco has snapped its longest losing streak of the baseball season at two straight, but the Pacific Coast League leaders failed to shake their shadow, Los Angeles, remaining but a game behind.

A 7-2 decision over the Oakland Oaks Friday enabled the San Francisco Seals to remain in sole tenancy of the pinnacle.

Sixth-place Portland battled through 11 innings for a 2-1 victory over the Hollywood Stars, standing fourth in rank, while San Diego split a twin bill with Seattle.

Seattle's nightcap provided the first credit for the Rainiers in the four games of the series at home against San Diego.

Medford High Wins Title at Relays

EUGENE, Ore., April 20.—(AP)—A last-minute win in the one-mile relay gave Medford High the Class A championship in the Ninth annual Hayward relays yesterday.

Medford scored 30 1/2 to edge out Grant of Portland, which made 30 points, Klamath Falls was third with 27.

Grant set a new record of 44.5 in the 440-yard relay, and Georg Rasmussen of Bend bettered the pole vault mark with an 11-foot 11-inch leap.

Hillsboro made the shuttle relay in 38.8 seconds to tie the 1945 record set by Jefferson.

One event of the relays, the distance medley, was won by Roseburg High, in the time of 11:30. The team was comprised of Ed Harvey, Art Backlund, Dick Charrier and Bob Stritzke.

Roseburg's thirdinals finished the distance medley with a 100-yard lead. Harvey finishing the quarter-mile event with other runners. Backlund finishing the half-mile with a 15-yard lead.

Participants in the mile relay were Charlier, Collier, Landers and Kruse. Omer, J. Monner, principal at Roseburg High School, praised the coaching of Mel Ingram, Stanley Glick and Horton Gray.

Next Friday, the Roseburg track team will participate in the Tri-County races at Eugene.

THE GREATEST MESSAGE

By CHARLES V. STANTON

A few months ago a message was flashed throughout the world that war had ended and peace had come. People in this nation hysterically celebrated the joyful news. It was a message for which the entire world had been waiting.

Many great messages have been recorded by history, messages bringing good news and bad to the peoples of the world. But the greatest message the world ever received was one spoken by celestial beings from a sepulcher in Old Jerusalem many centuries ago when they voiced those words upon which man's Christian faith is founded: "He is Risen."

We celebrate at Christmas time the birth of Christ and recall the words of the angelic host upon that occasion. Those words were a promise. But the words spoken on that Easter morning so long ago, to the women and to the disciples, were words of a promise fulfilled.

Greek mythology tells of the beautiful goddess Pandora, to whom was entrusted a box containing all human ills and the blessings of the Gods upon mankind. The box, she was told, must not be opened, but her curiosity could not be curbed and she disobeyed the command. As a result human ills were unleashed to prey upon the world, and the blessings were lost to man. Only Hope was kept confined within the box.

On that first Easter morning, when the stone was rolled from the face of the tomb, Hope escaped from confinement, not to be lost to mankind but, rather, to find an intimate dwelling place in human hearts.

It was an empty tomb to which the women came at Easter sunrise, but it had held briefly all virtue, all goodness, all righteousness. The seal of authority had been spread across the face of the tomb to retain within the narrow confines of rock-hewn walls the tortured body in which these virtues were embraced. But no authority, no armed guard could stand against divine intervention, which restored to the world God's blessing.

Recently we have prevailed victorious in the most sanguinary war the world has ever known. Brutal authority had attempted by force to enslave mankind to its lustful tenets. It flouted righteousness. It wreaked its sadism upon the helpless, destroying millions of innocent lives in an orgy of cruelty which defied every divine command and every moral concept.

But, just as the Roman seal and Roman power, the mightiest force known to the world in that day, could not keep Christ confined to the tomb, the modern forces of evil could not defeat the principles of righteousness which came from the sepulcher to live in the hearts of heroic men.

That message, "He is Risen," has come down through intervening centuries, and tomorrow millions will bow in humble confession and worship, celebrating that victory over death which grows in import with the ages.

The government of the District of Columbia has been under a lot of fire lately. Reason is the District Jail house is easier to break out of than a night club with a check room.

John V. Baldrige, Lumberman, Dies

REEDSPORT, April 20.—John Vernon Baldrige, 51, active in the Oregon lumber industry for the past 25 years, died Wednesday at the Dr. J. W. Lowe, owner-operator of the Catching-Randall Lumber mill.

Born in Washington state, Mr. Baldrige came to Oregon in 1921, and assisted in the organization of the Oregon-American Lumber Company at Vernonia.

For several years he engaged in lumbering activities in New Mexico after which he returned to Oregon. In 1927 he organized his own company, Baldrige Brothers, and was active in its management until recently when he took over ownership of Catching-Randall at Dr. J. W. Lowe.

The son of William Ira Baldrige, well known Columbia River logger, he was a member of the ReedSPORT Sheriffs posse and the Masonic Lodge. In the early 1930's, together with Howard Hinsdale, he organized the Gardiner Lumber Company at Gardiner, Ore.

He is survived by the widow, Gertrude; a daughter, Norma; one son, Donald, all of ReedSPORT; four brothers, one sister and a stepmother.

Funeral services were held at ReedSPORT, Friday. Interment was at Lincoln Memorial Park Cemetery, Portland.

Yanks Nose Out Senators In Ninth Inning, 7 to 6

(By The Associated Press) Washington's vaunted pitching staff which kept the 1945 Senators in the pennant race until the final day and which was expected to be the team's most potent weapon this year, has turned out to be one of the biggest early-season disappointments of the current campaign.

Yesterday's game against the New York Yankees, the day's scheduled contest, was a perfect example. Five Washington hurlers helped the Bronx Bombers make a successful home debut by issuing five passes, hitting two batsmen, making a wild pitch and yielding a dozen safe blows for 18 total bases.

The net result was a Yankee victory by a 7-6 margin, the New Yorkers' winning run coming in the last half of the ninth inning when Lindell scored Henrich with a low fly ball after DiMaggio had tied the score with a run-scoring double.

Title at Stake In Mat Bout Tonight

Bruno Anello, the bulldog-faced villainous Italian, will place his coveted coast junior heavyweight wrestling crown on the block at the Roseburg Armory tonight. Challenger will be Anthony Martinelli, fellow Italian who decided Angelo here last week in a non-title tilt.

Angelo, kicked in the face by a spectator early in the match, claimed he was "out on his feet" during the final two falls of the match and promised he would discontinue his challenge in quick order in this week's championship affair.

Opening the card at 8:30 P. M. will be a three-round boxing exhibition by local talent.

Supporting the title bout will be a promising scientific, but dynamic, skirmish between Georges Dusette and Gust Johnson. Both are angling for championship matches against the winner of Saturday's headliner or against Paavo Katonen, coast light-heavy king.

Driver License Exams Put on Improved Basis

Improved driver's license examination service will be offered Roseburg, beginning May 1, when a new schedule will go into effect. Secretary of State Farrell announced today. Under the new schedule, driver's license examinations will be in Roseburg at the city hall every week on Tuesday from 10 to 5 o'clock, and on Wednesday from 8 to 4 o'clock, instead of one day on Thursday, as in the past.

"Population increases in many Oregon areas have resulted in increased demand for driver's license service," Farrell said. "In order to provide the best possible service for the greatest number of persons, we have re-organized several territories, breaking some of them into smaller divisions and, in some instances, adding new areas to territories."

State driver's license examination service under the new schedule will be based on the number of applications received in various communities during recent months. Thus, Farrell explained, more frequent service has been arranged for areas where population increases have resulted in greater demands.

DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

St. Paul says if Christ had not been raised from the dead, we would still be in our sins and without a Saviour. But Christ went on two more steps beyond Calvary that made Him the Redeemer of all mankind, and that was His resurrection on Easter morning.

Without this supreme event, there would have been no early church, no Christian Bible, no risen Lord to be the Saviour of humanity. Nothing less than the presence of the living Christ could have transformed the lives of the apostles and made them martyrs for God.

The second step beyond the Christ of the Cross is the Christ of the "presence" in the hearts and daily lives of believers. It takes all three to make a Saviour of the world. The Christ of the Cross, the Christ of Easter, and the Christ of heart experience. St. Paul had this complete Saviour when he wrote: "It is no longer I that live, but Christ liveth in me." Christ in you the hope of glory.

When we have the Christ of heart experience, we have the complete Christ. Who is our Saviour and Lord? "Your life is hid with Christ in God." Keep alive the Spirit of Easter faith every day, and thus will the victory of Christ be yours. —Amen.
