DAILY DEVOTIONS
DR. CHARLES A. EDWARDS

The tendencies in religion are obviously today the superficial and the artificial. We have found certain substitutes for reality, and we are content to get along with a minimum of the spiritual. We avoid going deep. Dr. E. Stanby Jones says, "We have inoculated the church and the world with a mild form of Christianity so as to render them immune from the real thing." Worship through the artificial does not feed the soul. Too much of present day religion is superficial. When the test comes it fails. One of our churches, beautiful in architecture, had to spend several thousand dollars to make good a faulty foundation. There are many who have built their lives upon the sand instead of the rock. We need to go deeper. How deep? Until we are born again, enjoy the inner witness, have fellowship with God and have all things clear between the soul and the Lord. "My hope is built on nothing less."

Than Jesus Christ His righteousness, I dare not trust the sweetest frame; But wholly lean on Jesus name, On Christ the Solid Rock I stand, All other ground is sinking sand.

Beck, pastor.

There will be a beautiful baptismal service. The School of Ministry meets each Sunday morning at 9:45 with classes for all ages, youth groups and the adult fellowship meet each Sunday evening at 6:15. On Wednesday evening of next week the annual meeting and election of officers will be held. This meeting begins with a potluck supper at 7 o'clock.

Clatsop No. 12 chapter that 5,000 World War II veterans will be "knocking at the doors of our already crowded Oregon schools of higher education" by fall. The governor emphasized that the Klamath Falls school would be exclusively for veterans seeking education under the GI Bill, and would be only temporary.
