

### Cubs Crowding Cards, Dodgers for League's Top Spot

(By the Associated Press) Chicago's neglected National League champs, ignored in the early rush to hop on the St. Louis bandwagon, have tipped into the race while the Cards and Dodgers were looking the other way and now are within two games of first place.

Since the Cubs left home for their first eastern swing, they have won four of five starts. They have capped seven of their last 10 outings although only four starting pitchers have gone the route.

Passeau was the most important factor in last night's 6-4 triumph in Boston. The 37-year-oldster, who tossed a one-hitter in the last world series, belted a two-run homer that kayoed Cooper in the second inning. He also added a double to the Bruins' 11-hit attack, but Chipman had to come in to help in the ninth after three straight hits had loaded the bases.

Brooklyn closed in on the Car-

dinals, slicing their lead to a half-game, by downing Cincinnati, 4-3.

The four other clubs in the National, and Boston, Philadelphia, Detroit and St. Louis in the American were not scheduled.

Washington continued to sizzle through the West, trimming Chicago 10-2, for its eighth triumph in its last 10 games. Leonard, who beat the White Sox six times last year, continued his perfect record and ran this year's string to four in a row although nicked for 11 hits.

Cleveland won the day's most dramatic contest, 4-3 from New York, on Koltner's ninth-inning home run off reliever Zuber.

The cast for the comedy farce includes Ann Carter, Yvonne Byrd, Suzanne Wiles, Pat Sheehy, Donn DeBernardi, Wes Ashworth, Audrie Roselund, Wayne Wagner, Christina Trapalis, and Tom Dillard as the students, and Rendall Young and Eugenia Wolsk as the professors. Director of the play is Mrs. Lela Wildhaber, head of the dramatic department.

This play offers to the Roseburg townspeople their final opportunity to see the seniors in humorous action, Mrs. Wildhaber reported today. "A comedy was chosen for this year's senior play because it was believed that com-

### Drunken Driver Fined; Jail Term Suspended

Henry Daracunas, motorist whose car bore Washington license plates, was fined \$150 last week on a drunken driving charge, City Recorder A. J. Geddes reported today. A 30-day jail sentence was suspended, and his driver's license was revoked one year.

Anthony Gaherty was jailed in the city jail last night on a charge of drunkenness, Chief of Police Erwin Short reported. "This is the fourth time in two weeks he has been booked on the same charge," Short said.

### Increased Fund for Parks' Recreation Facing Battle

WASHINGTON, May 21.—(AP)—The Senate Appropriations Committee took a hand in providing more recreational facilities for national parks after hearing that the parks expect the greatest number of visitors on record this summer.

The committee added an additional appropriation of \$3,000,000 for recreational facilities, but the recommendation still must get Senate approval and then may have to weather a Senate-House conference study.

Senator Morse (R., Ore.) told the committee that \$7,945,000 was needed for all the national forests. The alternatives, he said, are additional recreational areas or restriction of use of the presently developed areas to the first persons to arrive.

"The latter solution," he observed, "is most distasteful to American citizens, who do not like to be turned away from public areas."

The need, he said, is 5,500 new camps and picnic areas and 32 new winter sport areas.

Senator Cordon (R., Ore.) called the forests "the common man's playground," reminding the committee that, since the land belongs to the government, private capital cannot be used in its development.

### Billy Fox Again Kayoes Harris in Tenth Round

PHILADELPHIA, May 21.—(AP)—Billy Fox, cuts and welts across his face, his eyes and lips still puffed from fistie battle, held a string of 39 consecutive kayo victories aloft today—the latest against Ossie (Bulldog) Harris last night—as his ticket for a light heavyweight title clash with Champion Gus Lesnevich.

The 20-year-old Philadelphia Negro was lucky in his last ring venture—busting the Pittsburgh light-heavy into dreamland for the second straight time. The K.O. victory was a virtual copy of the first meeting between the two several months ago.

Fox stopped Harris in the 10th and last round both times.

There remained but 57 seconds of the round last night when the referee counted Harris out. It took Harris another minute to come out of his fistie coma.
