Write-in Votes for Port Post Builds Puzzle for Clerk

Ten write-in votes nominated O. H. Hinsdale, Reedsport, as Democratic candidate for Port of Umpqua commissioner, County Clerk Roy Agee said today, as he completed tabulations of numerous write-in votes in last week's primary election.

Hinsdale, however, is an incumbent port commissioner whose term will not expire for two more years. Nominated with Hinsdale was Harold Lewis with even votes. Sherman Smiley was next highest with five votes. It is Agee's weighty decision, he said, to determine whether Hinsdale shall be the nominee, following the will of the majority of voters, or whether Lewis and Smiley shall be paired as Democratic nominees for the port commission. No Democrats had filed for this office. Republican nominees are Lewis and Norman B. Weatherly.

Nominated as Republican candidates for constable are George Edes in the Drain district; Levi E. White, Deer Creek; W. A. Manning, Calapooia; C. Beals, South Umpqua; Miles Otis, Glendale; H. M. McCabe, Reedsport, and Frank White, Gardiner. Democratic nominees are Nick Lehrbach, Deer Creek; C. Beals, South Umpqua; Miles Otis, Glendale; Earl Webb, Gardiner; Bob Unger, Reedsport, and a tie with one vote apiece in the Calapooia district between W. A. Manning, George Cornish, and Delmar Murphy.

Nominees for justice of the peace are Nina P. Petzold, Republican, and T. L. Weaver, Democrat, in the South Umpqua district; a tie, with three votes apiece between Earl Bleile and Walter Bell, for Republican nominee in the Glendale district. Bell was nominated as a Democrat.

Nominees for trustees of the North Umpqua-Diamond Lake Highway Improvement District are V. V. Harpham, Harold D. McKey, H. O. Pargeter, George H. Smith, J. R. Wharton, Earl Wiley, and G. V. Wimberly on the Republican ticket. Wiley and Wimberly were also Democratic nominees.

Official vote tabulations for state offices were also announced by Agee: Ellsworth, 2780, and Wood, 774, for Congress; Black, 319, Snell, 2015, and Donaugh, 752, for governor; Farrell, 2171, Dover, 461, and Epps, 344, for secretary of state; Kimsey, 1817, and Peoples, 738, for commissioner of labor.

Post Honors Mothers, Lists Nominations

Ten gold star mothers were honored at a dessert luncheon this week by the Umpqua Post, No. 16, American Legion. Each was presented with a corsage in a combined meeting of the post and auxiliary.

Mel Ingram, assisted by Rudolph Ritzman, are to head the Legion's annual junior baseball league. Nucleus of the teams will be made up of Roseburg High School players, with others from Myrtle Creek, Yoncalla, Sutherlin and Oakland.

Five persons were nominated for post offices, headed by Eugene Springer, for post commander for the coming year, and including Irvin Brunn, first vice commander; John Zenor, second vice commander; Erwin Short, adjutant, and Vic Micelli, finance officer.

Further nominations will be made Tuesday, and an election will be held the following week.

Youth Jailed as Auto Larceny Suspect

A California youth, Robert F. Kratz, 16, was sentenced to 30 days in the county jail yesterday by Justice of the Peace Hartfiel on the charge of no operator's license, Hartfield said, pending investigation of a charge of larceny of the automobile he was driving.

Fines amounting to $70 were levied in six traffic cases: Grover A. Roung, speeding, $15; Harry H. Cook, no P. U. C. permit, $10; Amanda A. Follett, no operator's license, $10; Marvin H. Kenney, overwidth load, $10; Ralph W. Bicknell, axle overload, $15; Herschel C. Snemaker, no operator's license, $10.

NEW FACTORY WELCOME

By CHARLES V. STANTON

Announcement by Quaker Industries of plans for construction and operation of a factory at Winchester, five miles north of Roseburg, is of more than ordinary significance. We naturally welcome any industry, and the fact that the concern is to furnish employment to 75 or more persons is of particular interest.

But of even greater importance, insofar as Douglas County's future is concerned, is the type of business proposed to be established.

Quaker Industries will manufacture wooden household gadgets. In manufacturing these items it will use principally by-products from sawmills. A large part of the wood to be used would normally go into slabs for fuel or would be sent to the trash burner. The new factory, therefore, is very definitely in line with the program of wood waste utilization in which Douglas County residents should be extremely interested.

According to U. S. Department of Agriculture figures, compiled by the Forest Service, only 37.6 per cent of a merchantable tree is manufactured into lumber, while from a sawlog only 46.4 per cent actually is cut into seasoned unplaned lumber, leaving 47.4 per cent mill waste and 6.2 per cent shrinkage or seasoning waste.

Of the mill waste 13 per cent is bark, 13.5 per cent sawdust, 8.7 per cent slabs, 8.7 per cent edgings and trimmings.

Much research work is in progress to utilize the 47.4 per cent of the log now being wasted, as well as the limbs, tops, etc., now being left in the woods. Good progress has been made in finding new uses for these waste products. Bark can be converted into a synthetic cork having many advantages over the real article.

Sawdust is being used in the manufacture of alcohol, protein feeds, chemicals, adhesives, plastics, rayon, and other products. Small waste can be utilized in the form of pulp for certain paper products, pressed wood and other purposes.

It will be noted that waste from a sawlog, and more particularly from a merchantable tree, exceeds considerably the amount of lumber. Thus the wood waste industry can have a larger volume of raw material than the lumber industry. Furthermore, manufacturing processes in the utilization field result in more man hours of labor, while skilled labor is better paid.

Here in Douglas County, as in any other timbered section, there is possible an industry approximately twice as large as the lumber industry itself, employing a greater number of persons, simply by utilizing wood now being wasted in the forests and at the mills.

Douglas County's sawmill industry has reached the approximate sustained yield level. If our sawmilling capacity is increased any appreciable amount, we will be cutting timber faster than it grows, although such situation may be desirable to a certain extent until overripe timber is removed.

But, without increasing our cutting capacity, we can still more than double the volume of industry through utilization of wood waste.

Factories like that proposed by Quaker Industries for this community are of the type needed in the utilization program. There is room for many more—sash and door factories, shingle mills, dowel plants, furniture factories, box factories, etc., not to mentioned the new field of chemicals, pulp, adhesives, alcohol, feeds, and numerous others.

The fact that Quaker Industries has seen fit, after careful investigation, to select Douglas County for its venture, doubtless will create interest on the part of concerns similarly engaged in use of by-products, thus contributing to the utilization program so important in our future development scheme.

Forgot Something

BUFFALO, N. Y., May 25—(AP)—For more than four months, George Filsinger, 16, and his eight-year-old brother Allan worked on a home-made 12-foot sailboat and dreamed of their first cruise.

Yesterday they launched the craft, climbed in, hoisted sail, and were promptly spilled into Buffalo River—they had neglected to provide the boat with a keel.

Brooklyn Again Lone Holder Of Nationals' Lead

(By the Asociated Press)

St. Louis Cardinals, who couldn't "see" Ewell Blackwell when the Sringbean Cincinnati righthander was recommended to them five years ago, wouldn't mind at all if they never saw him again.

Not only did the 23-year-old, six-foot-five inch fireballer from Fresno, Calif., knock the Redbirds out of their half of the top perch in the National League standings last night, but he became the second hurler to register two victories over the Cards. Pittsburgh's Heintzelman is the other.

In clipping the Redbirds' wings 5-1 for the Reds, Blackwell dealt the Cards only four hits and turned back six on strikeouts.

Defeat dropped the Cards into second place, one full game behind the Brooklyn Dodgers, who took over undisputed possession of first place by whipping Philadelphia Phils 8-1.

Tigers Beat White Sox

Newhouser joined Boston's Harris as the major's only seven-game winners when the southpaw ace pitched Detroit Tigers to a 3-1 victory over Chicago White Sox. The game marked the last appearance as manager of Jimmy Dykes, who turns over the reins to Ted Lyons today.

Held hitless for the first seven innings by Boston's Ed White New York Giants came to life to tie the score in the last half of the ninth and won the game 2-1 in the 11th when Lombardi smote a pinch-hit home run.

Rookie Outfielder Kiner and veteran pitcher Roe combined to lead Pittsburgh to a 6-3 victory over the Chicago Cubs. Kiner blasted a three-run homer while Roe spaced eight hits effectively. Borowy, league's leading pitcher last season, went down to his third defeat aginst only one victory this year.

The only other scheduled contest, betwen Washington and the St. Louis Browns, was postponed by rain.

Seals Creep Up on Oaks at Top Spot

(By the Associated Press)

The sudden sinking of the Los Angeles Seraphs, leaders of the Pacific Coast Baseball League for a day a week ago, by today had reduced the battle for the top spot to a transbay affair between the leading Oakland Oaks and the San Francisco Seals.

Hollywoods 3-2 defeat of the Los Angeles Club last night was the seventh straight setback for the Angeles since their brief moment of glory and left them six games from the top.

Weather did what no baseball team has done to the Oaklanders in ten straight games, stopping them last night at Portland. Rain forced the game to be called in the first half of the first inning.

Oakland's idlenes gave San Francisco, refusing to be counted out, a doubleheader chance to creep up on the leaders. The Seals defeated the San Diego Padres, 3 to 2 and 4 to 2, leaving San Francisco a game and a half behind the Acorns.

The Sacramento Solons and Seattle Rainiers continued their see-saw squabble over sixth place, with the Solons moving in on a 14-5 walloping of the Rainiers. The game evened the clubs' series at two wins apiece. Mapes homered twice and cracked out a single to drive in four of the Seattle runs. The Rainiers committed six errors.

Salem Baseball Manager Dies of Heart Attack

BREMERTON Wash., May 25, (AP)—Leo (Frisco) Edwards, manager of the Salem Senators of the Western International League, died last night of a heart attack as he sat in the Bremerton baseball park talking shop with friends.

Edwards grew up in Salem and managed semi-pro and Junior Legion clubs before becoming a Pacific Coast League umpire. He dropped umpiring this year to take over the management of his home town club.

Survivors include his widow and a five-year-old son, Carl Thomas Edwards, at Salem.

Fights Last Night

(By The Associated Press)

Boston—Jake Lamotta, 162½, New York, outpointed Joe Reddick, 158½, Patterson, N. J., 10.

San Francisco—Jimmy Sherrer, 149, Milwaukee, outpointed Jimmy Allen, 148, San Francisco, 10.

Spokane—Tiger Jack Fox, 191, Spokane, knocked out Leroy Evans, 221, San Francisco, 8.

Camp Ground Funds Granted

Repair of camp grounds and recreational facilities on the Umpqua National Forest has been facilitated by an allocation of $1,800 to be used before the next fiscal year, beginning July 1, it was announced this week by M. M. Nelson, forest supervisor.

Dykes Quits as Chisox Boss; Ted Lyons Succeeds

CHICAGO, May 25.—(AP)—Ted Lyons today gambled 21 years of pitching popularity against the hazards of a managerial career with the reeling Chicago White Sox.

Lyons, 45-years-old, took the club helm from Jimmy Dykes, who resigned yesterday after nursing along the White Sox for more than 12 seasons.

If owner, Mrs. Grace Comiskey, follows the Dykes' pattern, Lyons probably will sign to tug the now dragging White Sox reins from two to five years. His salary the second-guessers say, will range from $17,500 to $20,000 annually, a hike of about $5,000 over his current stipend.

Lynam-Katonen Go Promises Thrills

Paavo Katonen, the rugged ruffian, and Joe Lynam, the popular Oregonian from Redmond, will provide the main event fireworks on tonight's wrestling card at the Armory. The preliminary match between Walter Achiu and Bob Kenaston will start at 8:30 P. M.

Both Katonen and Lynam are trying to get back into the championship picture after having recently been shorn of coast championships in the light heavyweight and junior heavyweight classes, respectively.

Both matches on the card follow the sure-fire action formula of a ruffian vs. a clean wrestler. The only thing unorthodox about Achiu is his use of jiujitsu. But his opponent has a long-standing renutation as an uninhibited badman.

Katonen is an especially formidable opponent for Lynam. Besides his completely ruthless tactics, the Finn is a skillful and aggressive wrestler.

Myrtle Creek Team Is Blanked by Sherwood, 6-0

PORTLAND, May 25.—(AP)—Sherwood High School blanked Myrtle Creek, 6 to 0, yesterday as Class B schools opened their playoffs in the state's first annual high schol baseball tournament at the University of Portland.

Marcelle LaBrousee limited the Creekmen to two hits as he pitched the Sherwood team to victory while his teammates were hammering out 13 hits. Six Myrtle Creek errors helped bring in the runs. Grant Freuler, Sherwood shortstop, smacked out a homer in the second inning: The score:

Myrtle Creek	000	000	0	0	2	6
Sherwood	040	110	x	6	13	1
