FIRST for FIRST AIDS

Copr. Advertisers Exchange Inc. 1946

It's a fact! Accidents take a frightful toll. Every day, hundreds of Americans are injured in the "safety" of their homes. And yet, 90% of American families are unprepared to render the simple first aid treatments that ease the pain and prevent infection. Don't wait for a painful injury to reveal that your medicine chest is lacking in essential first aids. Check your supplies against this list and come to SAV-MOR for the missing articles.
