Legislature Rapped for 'Niggardly' Financing

PORTLAND, June 27. — (AP) — Failure of the state legislature to provide adequate funds have made Oregon's public institutions "a disgrace to the state," John H. Hall, state representative since 1921, told the Oregon Republican Club here.

Hall blamed "niggardly" appropriations and warned that the state's police organization may break up unless the 1947 legislature increases salaries, now at a \$200 a month maximum. "The boys are just hanging on to see what action the legislature takes. If the legislature fails to make a decent and adequate appropriation, we don't have any state police," he said yesterday. The representative condemned the state for refunding taxpayers \$21,000,000 in income tax surplus which he said "they didn't need and which could have been used to meet state needs."

DAILY DEVOTIONAL DR. CHARLES A. EDWARDS

Truth Never Dies
Truth never dies. The ages come and go. The mountains wear away, the stars retire, Destruction lays earth's mighty cities low, And empires, states and dynasties expire; But caught and handed onward by the wise, Truth never dies!

Through unrecalled and scoffed at through the years, Though made the butt of ridicule and jest, Though held aloft for mockery and jeers, Denied by those of transient power possessed, Insulted by the insolence of lies, Truth never dies.

It answers not, It does not take offense, But with a mighty silence bides its time; As some great cliff that braves the elements And lifts through all the storm its head sublime, It even stands, uplifted by the wise.

Truth never dies! As rests the Sphinx amid Egyptian sands, As looms on high the snowy peak and crest, As firm and patient as Gibraltar stands, So truth, unwarmed, waits the era best. When men shall turn to it with eager eyes, Truth never dies. — Amen.

Backfire

EVANSTON, Ill., June 28. — (AP) — Policeman Henry Rumsfeld was without his motorcycle today because he parked it behind an automobile while writing out a ticket for a motorist who drove through a stop sign. After getting the ticket the motorist started the car but it was in reverse and backed over Rumsfeld's motorcycle, wrecking it. The driver pleaded that the gear shifter stuck. Rumsfeld couldn't find any violation in his book to cover faulty gear shifters, so the motorist was released, but told to appear in court Monday.

Playground At Rose Park Will Open Saturday

Numerous cash awards as well as a full day of contests and entertainment is the schedule for Roseburg children Saturday, June 29, when the Rose Park playground makes its debut.

Sponsored and handled by the Roseburg Recreation department, it is the hope of that office that young children through the ages of 14 will take advantage of this playground program which will continue daily from 10 A. M. to 6 P. M. throughout the summer months. The Fullerton playground, with a similar program for children residing in that section of town, will open within two weeks, recreation director H. W. Gray said.

Opening at 10 A. M., the day will include a baseball game for boys under 15 years of age, foot races, shuttles, relays, ball throwing contests, organized games for kindergarten ages, a sandbox for the tots, and various playground equipment including swings and slides.

All of the day's events will be under the leadership of an experienced supervisor and cash awards will be given to the winners of the various contests. Ages for contests will vary with each event and the program is arranged so that girls, as well as boys, will compete for prizes.

"Since the increasing rise in population in Roseburg, the automobiles double the hazard of previous years to young children. Our playgrounds will be a natural haven of safety for children

of this city," Gray said. "The National Safety Council," he continued, "has discovered that most children are killed or injured in streets near their own homes. Therefore, it is hoped children's parents will insist on their

utilizing the playground program now set up. They will be under the careful leadership of trained workers, making it a natural place to leave young children during the day during shopping hours."
