

G. I. Insurance Changes Await Senate's Action

Changes in the National Service (G. I.) Life Insurance law passed by the House recently have caused a flood of inquiries at the district office of the Veterans Administration, Thomas A. Collins, contact representative for the VA in Roseburg, reports. "The changes cannot go into effect until passed by the Senate and signed by the President," Collins pointed out, "and veterans are urged not to call or write the Veterans Administration in reference to these changes, as their inquiries only create delay in the processing of other work."

Many veterans are taking advantage of the recently liberalized provisions of NSL insurance which permits a veteran to reinstate a lapsed policy simply by the payment of two months premiums. No physical examination is required. These provisions will remain in effect until January 1, 1947 Collins stated.

"Full information regarding the changes voted by the House will be given if and as soon as they become law, Collins advised.

Political Amnesty Given Deserving German Class

BERLIN, July 3.—(AP)—Lt. Gen. Lucius D. Clay, deputy American military governor, proclaimed yesterday a general political amnesty for all Germans in the U. S. occupation zone born after January 1, 1919, except major offenders under the denazification laws.

Clay acted on a recommendation of the denazification committee of the German states council of the American zone "in order to grant youthful offenders full opportunity for rehabilitation," he said.

Excluded from the amnesty were higher officers of the Hitler Youth and Nazi girls' organizations and those members of the groups who worked under SS commanders. Those who actively taught and propagated Nazi ideology and any war criminals also were excluded.

The Russians for some time have been following generally the same procedure, but on a less formal basis.

A Hot Tip
JOPLIN, Mo., July 3.—(AP)—When an armed bandit entered the Western Union office here, a 21-year-old teleprinter operator, Miss Barbara Adams, sent a call for help out over the wires on her machine.

It was picked up by the Kansas City Western Union office which relayed it to Kansas City police. The message was flashed back by radio to Joplin police who reached the holdup scene only minutes

after the gunman had fled with an undetermined amount of money.

Felker's Talk Deals With Airport's Status

Attorney Carl Felker, chairman of the Roseburg Chamber of Commerce aviation committee, was the speaker Tuesday at the regular meeting of the Roseburg Kiwanis Club. Felker outlined reports covering Roseburg's existing airport, which, he said, must be extensively improved if commercial airline service is to be obtained, and also discussed proposals for establishment of a port at a more favorable location.

The Chamber of Commerce committee, he said, has been acting strictly as a fact-finding body. It has secured engineering reports and recommendations and has thoroughly sifted information and data pertaining to the airport problem. These facts, he reported, will be placed before the chamber directors, who will determine future policy.

Rainfall Here in June Far Below Normal

Rainfall for the month of June measured .59 of an inch, as compared with a normal of 1.09 inches, J. C. McCallister, meteorologist in charge of the U. S. Weather Bureau station at Roseburg, reported today. Temperature for the month, ranging from a minimum of 42 degrees on the 10th to 93 degrees on the 19th, was slightly below normal.

Rainfall since July 1, 1945, totaled 37.78 inches, a surplus of 4.87 inches for the year. The total since Jan. 1, 1946, is 17.16 inches, a surplus of 2.4 inches.
