In the Day's News (Continued from page 1) transporting of soldiers and sailors.

He thinks considerable economies in military expenditures can be achieved without hampering operations aimed at fulfilling world obligations, furthering American interests and keeping global peace.

It certainly sounds reasonable. He then adds that less spending by the civilian agencies and postponement of public works would help to halt the flow of government dollars into private hands.

But, he points out, "the civilian agencies—legislative, judicial and executive will cost only a little more than two billion dollars, or six per cent of total expenditures.

When he talks of reduction of federal spending, Mr. Steelman is talking the language of business and will be applauded by business men.

He goes on, however, to say that "revival of PRICE CONTROL is the No. 1 essential in warding off costly and irretrievable inflation."

There he runs into controversial ground. But he MAY be right. In a situation where demand far exceeds supply it is a little hard to see how business can run without brakes and still escape a crash at the bottom of the hill.

There is an old saying that what goes up must come down. Experience teaches us that the higher it goes the harder the bump when it hits bottom.

On the other hand, if prices soar too much people may refuse to buy, thus reducing consumption and helping supply to catch up with demand.

OPA controls are artificial, and everyone knows by observation that they haven't worked any too well.

It's a big question. This writer doesn't know anybody, and hasn't heard of anybody, who is flatly certain in his mind as to the answer.

Anyway, OPA is out at the moment and congress seems to be in no hurry to restore it. With every day that passes, restoration of controls becomes more difficult—and more risky.

The point of this whole story is that Steelman is one of the more reasonable of our government bureaucrats. What he says is therefore interesting.

He is certainly on a new tack when he talks of the need for reduced government spending. We haven't heard much of that from Washington lately.

MONARCHS DOWNED BY EUGENE OUTDOOR STORE TEAM, 9 TO 6

The City League-leading Monarchs fell to a snappy undefeated Eugene Outdoor Store nine last night at the local diamond 9 to 6 for their first defeat of the summer.

Outclassing the Eugene nine in both the eighth and ninth innings, after trailing throughout, the locals picked up five runs and Freesin, pitcher, borrowed from the local Veterans nine pitched hitless ball and made consecutive 1-2-3 outs in both innings while at the mound.

Showing signs of fatigue from participation in the Umpqua Chiefs-Tri-City game in the afternoon, the Monarchs had five runs stacked up against them in the second, when Wilkensen and McCullough singled, Sullivan and Lane walked, and Good knocked a heavy homer.

Monarchs' Ward whammed out a triple to rightfield to score on Mills' single in the second for their first run, and in the eighth, trailing 9-1, B. Scherner doubled to bring G. Sanders scoring.

A thrilling last inning rally by the Monarchs ended to no avail as Eugene hurler Bonney's fast ball weakened in control, Ward doubled, Freesin walked and G. Sanders doubled for two runs.

Chicago was the big gun in the opener, driving in four runs with a pair of singles and a homer in the 5-3 triumph. Musial's round tripper on the first pitch in the 12th broke up the night-cap with a 2-1 Cardinal win for Dickson over Vic Lombardi.

Chicago also closed in on the Dodgers, knocking over New York 7-4, although Borowy, once again, was unable to finish what he had started.

Boston clung to a first division berth by one percentage point when it divided a pair with Pittsburgh. After Spann had caved his way to a 4-1 nod over Ostermuller, Rip Sewell got the Bucs an even break with a seven-hit effort, 5-2.

Vander Meer coped his fourth straight and his first shutout of the year against the Phillies, 3-0, but Raffensberger squared matters by silencing the Cincinnati Reds with six hits in the 8-2 afterpiece.

Seals, Oaks Still Half Game Apart After Twin Wins (By The Associated Press) It takes more than a .750 average these days to remain at the top of Pacific Coast League baseball.

The Oakland Oaks learned this during last week's series with Seattle, which they won, six games to two. The San Francisco Seals swept along at a 1.000 clip, taking their series with San Diego 7-0 and recapturing from Oakland the league leadership which they had relinquished in May.

The Seals clung to their precarious one-half game lead today by virtue of a double win over the Padres Sunday, while the Oaks took a doubleheader with Seattle, 7 to 2 and 3 to 2.

Jansen rang up his 18th victory of the season as the Seals stopped San Diego 5-2 in the first game. Vince DiMaggio suffered a spike cut near his right knee while sliding into second in that contest and will be shelved for at least a week from his centerfield spot with the Seals.

The second game, San Francisco drove Dumire off the mound in the first inning before he had retired a single man, and won 5 to 1.

Cast-Off Aids Oaks Oakland took advantage of Seattle's errors and cut off Seattle threats with four double plays in winning the first game. Metro, recently acquired by the Rainiers from Oakland, scored both Seattle markers in the opener. In the second game he slammed a two-run homer over the left field fence.

With the Oaks trailing 1-2 in the second game, Marshall hit a three-bagger to score two men and clinch Oakland's eleventh win in 15 starts in the north.

At Los Angeles, the Angels and Hollywood split their double bill. Hollywood won the first game 4 to 1 and the Angels the nightcap, 2 to 1, despite a two-hit pitching performance by Perez.

Sacramento and Portland battled it out for 11 innings before their 7-7 first game stalemate was called on account of rain.

In games Saturday, Sacramento shut out Portland 2-0; San Francisco beat San Diego 7-2; Hollywood defeated Los Angeles 4 to 1, and Oakland stopped Seattle 6 to 4.

Many Activities Noted in Roseburg Recreation Field

Activity in Roseburg in the sports field is at its highest point in many years. Young and old outdoor-minded residents are engaging in such summer activities as tennis, golf, bicycling, hiking, indoor games and baseball.

Hammons, who succeeded Barry, secured four strikeouts in the two innings he worked, gave out two walks and hit two batters. Rose, who scored one run in the third when Philbrock went to second on a pitched ball, went to second and scored after the sixth on wild pitches, and scored after the sixth on Richardson's fly ball deep in left field.

Richardson, starting pitcher for Roseburg, hit for two bases after two were out in the fifth, stole the third, and scored on Pope's single to left. Roseburg's final tally came in the sixth, when Marsters walked and went around the bases on wild pitches.

Richardson, starting pitcher for Roseburg, gave up only four hits in the five innings he worked. He was aided by excellent defensive work, which caught six Grants Pass base runners on attempted steals and double plays. The lone score for the visitors came in the fifth inning on doubles by Hammons and Moe. Richardson turned in three strikeouts, hit one batter, and made one wild pitch. Benson, who succeeded to the mound chores in the sixth had seven strikeouts, yielded two hits, and walked one batter.

Roseburg Legion Juniors Defeat Grants Pass Team

Roseburg's American Legion Juniors easily defeated the Grants Pass Juniors 10 to 1 at Emley Field Sunday to win the district championship and the right to play at Eugene July 21 for the zone title, which will carry the opportunity to play in the championship eliminations.

Roseburg's ten runs in Sunday's contest were largely gift tallies, resulting from wildness on the part of the hurlers for the visiting team.

Barry, who started on the mound, walked three batters and hit two in the first inning, tossing in a wild pitch for good measure, as Richardson and Weaver connected for consecutive hits. Weaver clearing the bases with a three-bagger, producing

Umpqua Chiefs Post Victory Over Tri-City, 5 to 3

With their eyes riveted on the outcome of a protest against Crescent City, coming up this week, which may give them first place standing, the Umpqua Chiefs retained a sturdy second-place in the Southern Oregon Baseball League by downing the Tri-City team 5 to 3 at Canyonville yesterday.

Playing close ball throughout before more than 500 fans, the largest crowd ever assembled at the Canyonville diamond, the Chiefs' southpaw hurler, Vonnie Baker, allowed only five hits, while Tri-City's highly touted pitcher, Palmer, was nipped for 14 singles.

The game remained scoreless until the fifth frame, when the Chiefs' Hill, L. Baker and V. Baker finally found their range for a double and two singles, with the latter two reaching the scoring plate. Tri-City, composed of Canyonville, Riddle and Myrtle Creek players, came back in their half to take the lead with three hits for three runs by Smith, Palmer and Newton, for their only tallies of the afternoon.

The Chiefs continued their hitting with single runs for each of following three innings with Hollywood scoring in the sixth off DeBernard's double, Hill reaching home in the seventh on Huggin's double, and L. Baker making the trip on singles by G. Sanders and V. Baker in the eighth.

V. Baker held his own at the mound throughout the nine innings and the Chiefs were reported by Coach Rudy Ritzman as all playing "heads-up" ball.

The Chiefs play Grants Pass at that city next Sunday for their eighth game of the league schedule.
