NEW DODGE

While You're Waiting we give you ...

Double Protection

*Your Safety and Comfort — *Your Present Car Investment

TO all OUR FRIENDS and CUSTOMERS — this is the most urgent and sincere advice we can give you today.

"Keep Your Present Car in Top Condition" Of course we want to put you in a new Dodge as quickly as we can. But we simply can't do that to your own best advantage if you run down the condition of your present car.

Why? Because the wait may be long — your present car is old and yet you need all the driving safety and comfort you can

get. Also, because you definitely 'profit' or 'lose' by the "condition" of your present car when you finally turn it in.

So, out of our experience and knowledge of today's conditions we again say to you —

Get Our Double Protection — Today

Bring in your car. Let us give it the necessary inspection and expert care. Then you'll have peace of mind — and you'll be money ahead.

Your New Dodge will be a rich reward for waiting. With Double Protection now — while you're waiting — you gain in every way.
