NO SOAP? DON'T BLAME YOUR GROCER!

He's just as tired of saying "no" as you are of asking for soap. Don't blame the government or the soap manufacturers, either. Until we get enough industrial fats to make all the soaps and other peacetime products we need, there's only one thing to do...

Save More Used Fats

Every drop of used fat you save is urgently needed. Every pound of used fats helps make about two pounds of the soaps you need. You use soap every day...so save used fats every day. Get 4¢ for every pound.

Where there's fat—there's soap
