JEAN STEVENS BECOMES BRIDE OF NICHOLAS MALATTI IN N. Y. JUNE 1ST

A wedding of much interest in Roseburg is that of Miss Jean Stevens, only granddaughter of Mrs. S. B. Dunn of Roseburg and daughter of Mr. and Mrs. Robert Stephens, of Chicago and Los Angeles, to Nicholas Anthony Malatti in New York City, June 1.

The bride is well known in Roseburg, having recently visited here. She received her early musical education at UCLA in Los Angeles, where she majored in piano and voice. She received a scholarship to study in Chicago and there won a voice audition, which sent her to New York for the final competition, which she won and received a contract with the Metropolitan Opera Company. While on a six months tour, she sang in Eugene, at which time her grandmother made the trip there to hear her. Mr. Malatti is a violin maestro and plays first violin in the Metropolitan Opera Company. This summer, he is conducting an orchestra at Atlantic City, N. J., and his bride is the singing star for the orchestra. They will resume their duties with the Metropolitan Opera Company again in the fall. The bride's parents were in New York for the wedding and plan to come to the West Coast and will stop in Roseburg to visit Mrs. Dunn.

Extinguishers For Fire Planned By Calkins District

Action to procure several types of fire extinguishers for home use was taken by the Improvement Association of Calkins Road at its meeting Thursday night, David McCarroll, association secretary, said today.

The extinguishers would be procured at cost through the Roseburg Fire Department. More than a dozen home owners signified their intention of obtaining the equipment.

McCarroll said that property owners in the Calkins Road district hope to be able to control any fires that occur with use of the extinguishers until aid from the fire department arrives.

It was also stated at the meeting that the California Oregon Power Company expects to extend its larger main beyond Edenbower School to Calkins Road by December, provided the materials are available.

The association made plans to resurface Calkins Road after the power company completes its installation of a larger main. Start of the resurfacing project would probably be by next spring.

A study of factors affecting the assessments and taxation of the Calkins Road area was authorized.

The next meeting is scheduled for Thursday, August 29.
