## Cardinals Stretch League Lead With Win Over Brooklyn

(By the Associated Press)

More than ever today it looks like the St. Louis Cardinals will be the Boston Red Sox' World Series opponent next month.

Not so much because the Cards beat the Brooklyn Dodgers yesterday in the opener of their "fight for the flag" three-game series to increase their National League margin to two and a half games but be-ause of the easy manner in which they bowled over the flock. The score was 10-2.

It was absolutely no contest. In fact, the game was over barely five minutes after it started. Higbe, the Dodgers' ace right-hander and possessor of the best won-and-lost record in the league, retired the first two batters to face him, but then the roof caved in over his head. It was 5-0 for St. Louis before Pollet, who was to gain his 19th triumph, made his first pitch.

The victory was number 14 for the Cards in 20 meetings with the Dodgers.

**Boyox Again Thwarted**

The pennant-bound Red Sox failed again to clinch the American League flag when they bowed to Feller and the Cleveland Indians 4-1. It was the sixth straight defeat for Boston which needs a victory plus a Detroit Defeat to cop the championship.

Feller held the sox to eight hits and struck out seven batters to boost his season's total to 308.

The Tigers moved two games in front in their battle with the Yankees for second place by defeating the New Yorkers 6-4.

The Chicago Cubs earned a split with the Phillies in a double-header, winning the second game 5-4 in 10 innings after the Phils had come from behind to cop the opener 4-3.

After losing 1-0 to Pittsburgh, the Boston Braves edged out the Pirates 2-1 in the second game of a double bill.

A six-run eighth inning gave the Washington Senators a 9-6 victory over the Browns.

Rookie Monte Kennedy yielded only two hits in pitching the National League cellar-dwelling New York Giants to a 4-1 victory over the Cincinnati Reds.

Cold weather in Chicago forced the postponement of the White Sox-Philadelphia Athletics game.

## Seals Beaten By Rainiers as Oaks Trim San Diego

(By the Associated Press)

The Pacific Coast Baseball League showed promise of a battle to the finish today unless the San Francisco Seals can keep the lowly Rainiers of Seattle from chopping away at their three-game margin.

While the Rainiers last night tripped the Seals 3-1, Oakland's second-place Acorns climbed to within three games of the loop leaders by outlasting the San Dieeo Padres for a 6-4 decision in 12 innings.

The Seattle victory put the Rainiers ahead two games to one in the series which could reduce San Francisco from its position at the first of the week as the choice with overloaded odds to win the pennant.

York, pinch hitting for Seattle, produced last night's death blow for the Seals in the ninth inning, when he slammed a triple with one aboard that wrapped up the game.

In the hot race for third place, the Los Angeles Angels regained a tie with the Hollywood Stars by a double whitewash of the Sacramento Solons, 3-0 and 4-0.

Fleming held the Solons to four hits and struck out 13 in the opening, seven-inning game, and Lynn, yielding only three hits, pitched his eighth shutout of the season in the nine-frame finale. Sauer paced the Angel attack with a homer, triple and double in the two games.

The Portland Beavers, behind the six-hit chucking of Di Biasi, blanked the Hollywood club 3-0.

### LaMotta Scores Kayo on Satterfield in 7th Round

CHICAGO, Sept. 13. — (AP) — Jake La Motta, whose flailing fists have carried him to a leading contender position in the ranks of middle-weight boxers, may be able to do some business among the light heavyweights, too.

Lt Motta, scaling 167 pounds, the most he has ever carried into the ring, last night knocked out Bob Satterfield, of Chicago, in the seventh round of their scheduled 10-round bout. Satterfield had won 14 out of 17 previous fights by knockouts.

## It's the Little Things

By JAMES THRASHER

Some psychiatrists say that we Americans are suffering from a mass neurosis. Radio announcers advise assorted nostrums for that tired, nervous feeling. Various politicians assure us that various things like more government planning, more free enterprise, white supremacy, socialized medicine or the Townsend Plan will put us on our feet again.

Obviously, where there is so much diagnostic smoke there must be some pathological fire. We seem on the way to becoming a sick, nervous nation, if we aren't there already. Some of our symptoms, of course, are evident and have been thoroughly explored, though not cured.

We are well aware of such things as severe shortage in the midst of bumper production. We understand the jumpy feeling that comes from having a peace conference beat the same old diplomatic bushes while the problem of controlling atomic energy sits unnoticed in the anteroom. We are alert to group and class tension and unrest.

All these add up to a state of confusion and contradictions. But there are little, inexplicable contradictions and confusions that clutter up our daily lives without our being fully conscious of them. We are unwise to ignore them—for everybody knows that it's the little things that drive you wacky.

**What little things? Well, here are some examples gleaned from one day's news.**

**The United States Navy sold two destroyer escorts to the Commonwealth of Pennsylvania for $1, or considerably less than the price of two dozen eggs.**

**Americans spent $1,200,000,000 last year on jewels and other baubles. Almost half the families in the United States have an aggregate annual income of less than $2000.**

New automobiles are scarce as pearls in oysters. New tires aren't much more plentiful. Old automobiles and tires are wearing out. Getting train or plane reservations is a major achievement. The Commerce Department thinks that vacationing Americans may spend a record $10,000,000,000 this year.

Flushing, N. Y. site of the New York World's Fair, is planning a $50,000,000 shopping center with streets cooled in summer and warmed in winter, and with moving platforms instead of sidewalks, to save customers the burden of walking. Near Flushing, veterans' families are living in new $9500 houses which have leaky roofs and doors, cracking walls, sagging floors, and cesspools instead of sewage systems.

## M'Macken Lags in Round-Up Contest

PENDLETON, Ore., Sept. 13. —(AP)—A two-time winner of the Pendleton Round-Up trophy for No. 1 cowboy was lapsing behind today as a fellow-Arizonian threatened to take the honors in the 35th annual event.

Bill McMacken, Chandler, Ariz., who is bidding for a third and permanent win of the $5,000 trophy, failed to place in the bulldogging contest. He grounded his steer, but the animal broke loose.

Buckshot Sorrells, Tucson, Ariz., won the event in 16.25 seconds to give him a top chance for the all-around best cowboy title.

Chuck Wilkinson, Luck, Wyo., roped a calf in 15.5 seconds, only 2.3 seconds over the all-time record, to win that event.

Two Toppenish, Wash., men—Eddie Hoyt and Al Carl—were injured in the northwest bucking contest. Princess Suzanne Lieualien was thrown from her horse and carried out on a stretcher, but not seriously hurt.

## Umpqua Chiefs' Net Profit From Season Only $229

Net profit of $229 for the 1946 season from ball games of the Umpqua Chiefs was reported yesterday by H. W. Gray, city recreational director and president of the Southern Oregon Baseball League.

At no time in more than 21 games played here and in other cities of the league, did the Chiefs net more than $215.08 from gate receipts, and in some instances on out-of-town games the team actually lost money.

Greatest losses were shown on the Chiefs' trips to Medford and Central Point, and to Crescent City, Calif. On the first trip, the loss was $147, and on the second, $125.68.

Other out-of-town games showing a loss were those at Gold Hill, Grants Pass, and Ashland. Gray attributed these losses to the small percentage allowed the Chiefs on gate receipts, and to the further fact that some spectators were permitted at these games without paying admission.

Eighteen per cent of all admissions go to taxes, Gray said. Up to September 1, $322.04 had been paid in state and federal amusement taxes.

**Other Items Listed**

Other expenses which the team met for every game included new balls and bats. Rules of the league required that one dozen new balls be furnished for each game. Twenty two dozen balls were furnished during the entire season.

Rentals for the field were $10 a game. Umpires, two or three each game, were paid $5 each, and ticket takers were also paid. Membership in the Southern Oregon League cost $50 and secretarial fees, paid to Harry Chipman of Medford, cost $40.

Fifty baseball suits, caps, socks, gloves, and other incidental equipment were purchased during the season. Letters sewed on the suits cost $50. Cleaning bills followed every game. Advertisers whose names appeared on the suits paid $750.

Gray explained that no profit was made on the first 50 admissions collected at the ball games. Fifty season passes were issued locally and as many by other teams in the league, so that several persons had to attend the games before the team cleared any money.

This year's profit, Gray said, will be turned over to the Roseburg recreation fund. Not included in the report were three games played after September 1, with Grants Pass, Medford, and a Eugene team. One season game—that with Tri-City—benefitted the Spokane Indians, and a check for $81.34 was mailed to the Athletic Roundtable at Spokane to be turned over to the team which suffered the tragic loss of several players when its bus overturned in the Cascade mountains.

At Medford there is talk of forming a "D" league of Southern Oregon cities, with Roseburg included on the contemplated circuit. Gray said he did not believe that such a league could be supported financially here, since the team would be required to pay its players and to guarantee three games a week.

There are "D" league teams now at Eugene, Albany, Salem, Corvallis, and Portland.

## Team Match Pits 'Meanies' Against Dusette and Achiu

Pete Belcastro, the "Walloping Wop" from Weed, California, and Jack Lipscomb, the "Hoosier Hot Shot," will be out to collect a sizable winner's purse Saturday night at the Roseburg Armory when they team up to meet Walter Achiu and Georges "Arms" Dusette in the main event of the weekly wrestling show.

The match will be a two-out-of-three falls affair with a one-hour time limit. Belcastro and Lipscomb are two of the roughest villains ever to appear on the Northwest wrestling circuit and will meet two of the most capable cleanies currently active on the local front. Achiu's only departure from orthodox methods is his use of the ancient Oriental art of jiu-jitsu.

The Chinaman usually uses his spine-tingling tactics only when aroused or when his back is to the wall. The methods used by Belcastro and Lipscomb are almost certain to arouse him. In Dusette, Achiu will have the best partner possible. The French-Canadian possesses one of the strongest pair of arms and shoulder assemblies in the business.

The main event performers will engage in a pair of preliminary warm-up tussles that will assure fans of a full evening of entertainment. In the opener at 8:30 P. M., Belcastro will tangle with Achiu and in the semi-final Dusette will meet Lipscomb.

### Larkin Favored to Beat Joyce in Titular Battle

NEW YORK, Sept. 13. —(AP)— Tippy Larkin will try to make it three in a row over Willie Joyce when they meet in a 12-rounder at the Garden tonight to decide the all-but-forgotten world junior welterweight championship.

The 140-pound class title rested peacefully for almost 13 years after Barney Ross won it by whipping Tony Canzoneri in 1933. It was revived last spring in Boston, when Larkin outpointed Joyce and the Massachusetts boxing commission tabbed him as champion.

That was the second time Tippy had met and defeated Joyce. The bettors have installed Larkin as a 5 to 7 choice to do it again.

**DAILY DEVOTIONS**
DR. CHARLES A. EDWARDS

Jesus Christ was the keystone of the arch formed by two pillars. Judaism with its hope of a Messiah on the one hand, and Greek philosophy with its spiritual aspirations on the other. Jesus fulfilled the Greek quest for the word or the truth. This abstract truth became incarnate when the "Word was made flesh, and dwelt among us." Thus the invisible truth became manifest through a life. The great forces of the universe are invisible; the visible is often an effect of which the invisible is the great cause. We cannot see gravitation, but we can see the stone or the apple fall, which is the effect of it. We cannot see personality; but we can see the body or the medium through which personality breathes. Natural laws and spiritual forces find a unity of aim and and purpose as they teach us the truth of God. "No man hath seen God at any time," but the only begotten Son came to earth to teach men what God is like. "He that hath seen me hath seen the Father." "how sayest thou then show us the Father?" God in you the hope of eternal glory. The upper most question is, does the world see God in you? Lammertine of France, stilled the mob by shouting, "Seventy years of a pure life is about to speak to you." It calmed the riot. Amen.

CAN'T KEEP GRANDMA IN HER CHAIR
She's as Lively as a Youngster—Now her Backache is better

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

"Precocial" birds are those which are able to run about shortly after being hatched from the shell and are not cared for in the nest by their parents. Examples are the bob-white, quail, ring-necked pheasant, Hungarian partridge, ruffed grouse, prairie chicken, woodcock, jacksnipe and killdeer.
