

The area of Norway is a little larger than that of New Mexico.

The United States has more than 11,000 cotton gins.

Egypt has initiated an irrigation project on the Sinai Peninsula.

Insulin was discovered in 1921.

### Ex-Prisoner of Japs to Speak at Roseburg Church

O. J. Goulter, above, missionary to China for more than 20 years, will be the guest speaker Friday night at a potluck dinner at 5:30 at the First Christian Church.

Mr. and Mrs. Goulter first went to the China mission field in 1922 under auspices of the United Christian Missionary Society, national board of missions and

Christian education for the Disciples of Christ. They were stationed at Hefei, Anhwei Province, reached by a journey up the Yangtze River.

Their mission, which included evangelistic work, preaching, and training Chinese leaders, was temporarily suspended at the time of the Chinese uprising against foreigners in 1927. Mr. and Mrs. Goulter and their three children escaped the city, made a hazardous journey down the river to Shanghai, then proceeded to the Philippines. They returned to China the following year.

During 1938, the Goulters faced a super-human task in relief work among the refugees from the Japanese attack on China.

In December, 1940, Mrs. Goulter and the daughters returned to the United States, leaving Mr. Goulter on the field. When the United States entered the war, he became a prisoner of the Japanese. As a citizen of Australia, he was not repatriated, but remained in a Shanghai prison camp.

Upon his release after the war, Mr. Goulter proceeded to Nanking and back to Hefei, where he was able to save much of the mission property from the looting of Japanese troops and Chinese bandits. He came to the United States last April. The Goulters plan to return to China after a furlough.

### Portraits of Four Pioneers Adorn Christmas Seals

The 40th annual Christmas seal sale of the National Tuberculosis Association holds interest for stamp collectors, as well as serving as a reminder of its original purpose, that of collecting funds for stamping out tuberculosis.

Portraits of four pioneers in the Christmas seal movement are included on each sheet of the seals this year, Mrs. Ralph M. Church, Douglas County seal sale chairman, advises.

The seals now printed in a sheet format of 100, 96 of which carry the 1946 seal "lamp-lighter" design. The center four seals, numbers 45, 46, 55, and 56, show in that order, Jacob Riis, Miss Emily F. Bissell, E. A. Van Valkenburg, and Leigh Mitchell Hodges, all of whom played a part in the first American seal sale held in 1907.

The portraits are printed in black on a white background with the names in the lower left-hand corner and a small double-barred cross in red at the upper right-hand corner.

The same "lamp-lighter" design is being used this year by Bermuda, which is having its first Christmas seal sale. The Bermuda seals do not have the photos, however, and the "USA" has been omitted and the word

"Bermuda" included. The same design is also being used by Canada and England. The Canadian seals are printed, as usual, with both French and English "Greetings."

**Immunization Urged**  
PORTLAND, Nov. 21.—(P)—Immunization of children against smallpox, whooping cough and diphtheria was urged today by the State Board of Health.

Dr. Harold M. Erickson, state health officer, reported there were no reports of smallpox cases in the state and attributed the perfect record to date to the widespread vaccination program.

**Kilroy Still on Job**  
CHARLESTON, Ore., Nov. 21.—(P)—Charleston crab fishermen have been annoyed for weeks by finding their pots empty when hauled up from the bay.

Yesterday they found an explanation. Leonard Hall tugged up one of his pots and found, as usual, no crabs. But there was a bottle with the following note: "Kilroy was here."

The U. S. Navy has administered Guam for 50 years.

**Sutherland**  
Mr. and Mrs. John Chase enjoyed a trip to Salem Sunday.

Norval Cockeram of Roseburg was a business visitor in Sutherland Monday.

Mrs. W. B. Moore of Portland, spent the past week in Sutherland visiting with her mother, Mrs. E. M. Updie, and assisting her to get moved.

Mrs. Clarinda Mason, who has been visiting relatives in Sutherland, recently left for Hillsboro, Oregon.

Mr. and Mrs. Clifford Parrott of Gold Beach, Oregon, are spending a few days in Sutherland, visiting at the home of Mr. and Mrs. Vern Holgate.

Mr. and Mrs. Dean Cook and children, of Eugene, spent the weekend in Sutherland, visiting with the former's parents, Mr. and Mrs. John Cook.

Mr. and Mrs. Donald Green and child, of Portland, are visiting the former's parents, Mr. and Mrs. George Green.

Brittain Slack was a business visitor in Roseburg recently.

**What Other Car Has So Much That Clicks For Forty-Six!**

**SMARTNESS**—that sets the style pattern with car-length Airfoil fenders and bolt-on rear wheel shields.

**POWER**—from a Buick Fireball valve-in-head straight-eight engine.

**OIL SAVINGS**—from non-scuffing Accurite cylinder bores.

**FLASHING ACTION**—of Five-weight pistons.

**STEADINESS**—from full-length torque-tube drive in a sealed chassis.

**GLIDING RIDE**—from Panhard all-coil springing.

**COMFORT**—of soft foamite cushions in roomy Body by Fisher.

**SURE FOOTING**—of Broadrim wheels.

**CONTROL**—through Pemi-firm steering.

**CONVENIENCE**—of high-leverage Step-On parking brake.

**PROTECTION**—of Buick-original fender-shielding front and rear bumpers.

When better automobiles are built **BUICK** will build them.

Tune in HENRY J. TAYLOR on the air twice weekly.

Look ahead to **Something Great**

White journal tires, or disc wheels, will be supplied at extra cost or when available.

Put to you straight, the story's this:

No car made today is coming to you fast as its makers would like.

It stands to reason that the car most wanted is not going to be the easiest to get.

But that car will have what you're aiming for.

Style that's no mere one-year wonder—but smart and clean and right in a way that lasts.

Power—plenty of it—a big bonnetful of Fireball straight-eight power, smooth as cream pouring from a pitcher.

Size and roadability and easy-handling—this car will be a travel-wise honey that hugs the road as though it loved it!

There will be smoothness and steadiness you haven't known before—and putting it all together for you a hard-driving production outfit that's staging a notably successful battle against shortages and slow-downs.

If it takes longer to get a Buick than anyone thought a few months back, it has also proved itself as a whale of a lot more automobile than folks expected!

So skip today—give a thought to tomorrow—and plan ahead for something good.

Get your money down on a Buick, available for future delivery—with or without a car to trade.

**A Salon-Like Beautiful COLD WAVE PERMANENT**

is yours in just 2 1/2 to 3 hours at home
