A training course for Gray Ladies is to start soon. Mrs. Helen Clarke, executive secretary of the Douglas County Chapter, American Red Cross, announces. A number of women already have made application for the training but more are urgently needed.

The minimum number of hours of service required over a period of a year would not tax any individual too greatly. Mrs. Clarke states. Persons desiring further details are requested to telephone 822 or call at the chapter office in the Armory.

DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

Christian faith is an indispensable asset in overcoming the conflicts of life. It often determines whether we shall go down in defeat or rise to triumph. Before writing his great masterpiece, "The Messiah," Handel was so disheartened by his tragic experience that he almost despaired. He had lost his health, his wife was paralyzed, his money was gone, and his credit ruined and threatened to ruin him. For a time he was tempted to give up the struggle, but faith prevailed, and in his darkest hour he composed his greatest work, "The Messiah." What a loss to the world had he failed. The world is a place for growing souls and all great personalities with faith emerge victorious from the conflict. Jesus said, "In the world ye shall have tribulation; but he of good cheer; I have overcome the world," and St. John wrote: "This is the victory that overcometh the world even our faith." A man never fails until he fails in himself. For, "Never alone is the Christian and who lives by faith and prayer. For God is a friend unfailing. And God is everywhere." Amen.
