After Crashing Into Home

LEIGHTON, Pa., Dec. 5.—(AP)—A buck deer that crashed into Mrs. Walter Nussbaum's home is staying to dinner.

He broke through a window while Mrs. Nussbaum was entering Mr. and Mrs. Walter Nussbaum. The buck was upsetting furniture and smashing dishes when Andreas tackled him.

Jobless Benefit Payments Mount

SALEM, Ore., Dec. 5.—(AP)—Benefit paid by the state unemployment compensation commission during November totaled \$443,241, a gain of 4 per cent over October, but 38 per cent less than in November, 1945, the unemployment commission reported today.

Service men received \$395,945, 13 per cent more than in October, while self-employed veterans got \$189,427, a 22 per cent gain over October.

New claims for the 1947 benefit year will be taken beginning next Monday at the 26 employment offices over the state, the commission said today.

The commission said that early filing of claims will enable the commission to determine benefit rights before the compensable claims start on January 6.

Fines Budge Neither Lewis Nor Miners
(Continued from Page One)

rather than yield to a court order he contends is illegal and withdraw his termination of the UMW's contract with the government.

Rail Unions Urge Accord

With this grim deadlock confronting the country, a group of railway unions issued a plea that Lewis and the government both call the whole thing off and let a presidential commission settle all issues.

The Railway Labor Executives Association, representing most of the rail unions, proposed:

"1. The decision of the district federal court be held in abeyance;

"2. The miners agree to return to work immediately;

"3. The president appoint a disinterested commission to promptly inquire into the complaints of the miners regarding hours of work, wages and working conditions and report its recommendations in thirty days from date of appointment, and the same shall become effective as of the date the miners return to work;

"4. That all parties agree to

accept the recommendations of the commission; and

"5. That the pending court proceeding be vacated and dismissed."

The association's proposal was regarded in some quarters as a possible peace feeler inspired by the United Mine Workers' own AFL. Several of the rail unions are affiliated with the AFL.

There was no immediate comment from government officials or from the UMW.

Lewis' annual salary as president of the mine union is \$25,000. He also has an expense account. Aside from his current assets he told the court he had only enough to pay his debts.
