**Held Over, Extra Day! ENDS TOMORROW****FAMOUS DIVISIONS NEED PICKED MEN** *Will you measure up?*

Out in the Far East—in Korea and Japan—the great Army divisions which fought down the hard road to victory in the Orient are now part of a brilliant peacetime team. Their spectacular success adds new luster to battle flags already bright with war-won honors.

Many of these units are now taking in new men. They accept only the best—rugged, keen young soldiers capable of fitting the roles established by men who preceded them.

If you can measure up to the standards required, it is possible for you to join such outstanding units. A three-year enlistment for duty in the Far East enables you to choose the division with which you'll serve after completing your initial training in the U. S.

While serving your country in these fascinating places, you will be provided excellent living facilities. Far Eastern forces are comfortably garrisoned with fine recreational services conveniently near.

Overseas duty also boosts new Army base pay by 20%—a Private makes \$90 a month, clear of food, clothing, medical and dental expenses. Your nearest U. S. Army Recruiting Officer can furnish all details.
