

Illinois Defeats UCLA, 45 to 14; West Downs East

By JOE REICHLER
NEW YORK, Jan. 2. (AP)—Sports talk today centered around Illinois' almost incredible feat of knocking off a hitherto unbeaten UCLA eleven 45-14, before 92,000 stunned onlookers at Pasadena's Rose Bowl.

It was by far the largest single game turnout of 20 bowl battles—the largest number ever—which treated a total turnout of 440,000 fans to 77 touchdown runs and passes.

The victorious Georgia, Rice, Georgia Tech, Oklahoma, Hawaii and Delaware teams all contributed to this New Year's display of gridiron fireworks, but the game that will be remembered longer than any of the others is the 33rd edition of the tournament of roses.

Inaugurating the Big Nine-Pacific Coast conference five-year plan, the underdog Illinois scored in every period except the third to register as many points against the bewildered Bruins as the Californians had suffered from their last seven opponents combined.

The big thrill, however, was provided by UCLA's 143-pound tailback, Al Holsch, who raced a kickoff back 103 yards for a touchdown, the longest and only

one from a kickoff in Rose Bowl competition. Two long-gainer touchdown passes, thrown by Clyde Leforce from near midfield, provided the winning scores for the Western All-Stars in their 13-9 victory over the East in the 22nd annual Shrine charity classic played before 62,000 fans at Kezar stadium New Year's day.

Regular Army Accepts Partially Disabled Vets

Partially disabled veterans not only are being taken into the new regular United States Army, but they are proving valuable soldiers in 103 categories, according to a representative in Roseburg from the Eugene U. S. Army recruiting office.

These veterans are given necessary training for the job. Only 23 of the types of assignment available out of the 103 require previous experience.

After the enlistment periods are completed, these men can have their disability rating reinstated. These enlistments are limited to combat-disabled veterans of World War II.
