In the Day's News

(Continued from page 1)

ing inequality, with first management and then labor holding TOO MUCH POWER, has resulted in persistent strife.

It seems to this writer that the first concern of the new congress, in its effort to write a new charter, should be to provide a fairly equal BALANCE of power between management and labor.

All sound, honest, sincere business men know by experience that better, more workable agreements ensue when the parties to the making of them are fairly equal in power. In such cases, distribution of the benefits is apt to be reasonably equal and so the agreements work out harmoniously and with mutual profit.

* * *

THE President devotes considerable space and time in his message to exposition of the theme that he and the members of congress possess the power in the next two years to "mold the future of the nation" for lasting peace and unprecedented prosperity.

He says:

"If in this year and in the next we can find the right course to take as each issue arises, and if, in spite of all difficulties, we have the courage and the resolution to take that course, then we shall achieve a state of wellbeing for our people without precedent in history."

He adds:

"And if we continue to work with the other nations of the world earnestly, patiently and wisely, we can—granting a will for peace on the part of our neighbors—make a lasting peace for the world."

* * *

THAT is to say, the President and congress should work together for the highest welfare of the nation and the world, regardless (for the present, at least) of partisan advantage.

That is a rather idealistic hope. But not TOO idealistic. We have proved, over and over in our history, that we can work together IN AN EMERGENCY.

We proved that in the late war, which we entered weak and almost helpless and from which we emerged strong and united and victorious. If we had remained strong and united after victory, as we were before, all our problems of reconversion from war to peace might have been solved and we might now be well along on the road to the achievement of greater satisfactions out of life than we have ever known before.

It has been disunion and bitter squabbling that have held us back. President Truman's suggestion that we quit fighting among ourselves and begin to CO-OPERATE is an excellent one.

Goelz and Cohen Will Again Battle For Coast Title

Billy Goelz, recognized as the Pacific Coast light-heavyweight wrestling champion, will make his first title defense at the Roseburg Armory Saturday night against the challenge of Sammy Cohen, erstwhile titleholder.

The return match between the talented matmen has been in dispute for several weeks — since Cohen suffered the upset at the hands of the back stretch specialist. The muscular New York Jewish boy claimed that Goelz fouled him in winning, but the Roseburg Wrestling Commission upheld the decision of Referee Elton Owen.

Cohen refused to appear in Roseburg again until a re-match was ordered—and with another referee. The commission did not order the match, Goelz volunteering instead to give Cohen a chance to regain his lost laurels. Matchmaker Den Owen announced that his brother would not officiate. Either Jack Poppenheimer or Otis Clingman will be named as the third man in the ring.

A capacity crowd for the Pacific Coast championship skirmish appears inevitable and Douglas County grappling followers have been warned to make early-week ringside seat reservations.

The title program will have an added attraction—the debut of a highly-touted Australian matman, Tommy Nilan, who has already made an impressive showing in the Northwest since his arrival two weeks ago. Nilan, who is a short, stocky grappler, specializes in drop-kicking.

The "Kangaroo Man" will have formidable opposition in his initial local appearance here — against Pete Belcastro, the tistle-minded Weed, Cal., villain.

Babe Ruth on Mend

NEW YORK, Jan. 8.—(AP)—Babe Ruth spent a "pretty comfortable night" and his condition was described as "fair" this morning by officials at French Hospital, where baseball's former home run king appeared to be winning his fight for life after a neck operation.

Motorists Lagging

PORTLAND, Jan. 8.—(AP)—Approximately 150,000 Oregon motorists have failed to apply for 1947 automobile license plates, the State Motor Vehicle Division reported today.

A GOOD APPOINTMENT

By CHARLES V. STANTON

Persuasive powers of Roseburg's new mayor, Al Flegel, must have been stretched to the limit in securing consent of Attorney A. N. Orcutt to serve as city attorney. Consent was gained only upon condition that Mr. Orcutt's junior partner, J. V. Long, former district attorney, is to serve as assistant city attorney. Long probably will be called upon to do the major part of the work connected with the city attorney's job, but the fact that Mr. Orcutt will be available for consultation, advice and assistance is of much importance.

Our personal opinion is that Mr. Orcutt is one of the most able men in Oregon on the matter of municipal law and finance. He has had long experience in that field, not only as attorney, but also as a city recorder in earlier days. He has served as attorney for municipalities, school districts and other corporate bodies throughout his many years in the legal profession, and thus has become thoroughly familiar with laws, rules and regulations pertaining to all phases of administration.

The City of Roseburg will have many difficult legal and financial problems during the next few months. Change to the city manager form of government, scheduled July 1, will require much study and planning. A great deal of work will be involved in setting up a budget for the forthcoming year.

Due to operation of the 6 per cent limitation law, the budget cannot be raised sufficiently to permit adequate municipal service to the growing community unless the council can find new sources of income outside a direct levy on property. In developing new sources of revenue, the city will need the most expert legal guidance.

Annexation of existing suburban areas cannot be avoided much longer. Overcrowded conditions, resulting in a serious menace to health and safety, demand street improvements, sewer installation, street lighting, policing and other services for protection of health and safety of residents. We predict that residents of these crowded areas soon will be demanding inclusion with the city. Annexation, however, cannot be undertaken until the budget limitation law has been amended. It is quite probable that the forthcoming sesession of the legislature will undertake amendments to the law, making it possible for cities to accept adjacent residential areas for annexation and, when enlargement of city boundaries is made possible, we expect immediate demand for annexations. Extension of boundaries will involve a great deal of legal work, plus considerable engineering.

Without prejudice to the ability of any attorneys who have served the city, or those who might be available for the position, it is our opinion that the experience Mr. Orcutt has had in this particular field makes his appointment especially valuable. Mayor Flegel, we believe, is to be congratulated upon the choice.

The city's new administration entered upon its duties Monday night, at which time the old council surrendered its authority to the new officers.

Mayor Flegel made few appointments at the opening session, but is known to be working on organization of committees, commissions and departments with a view to bringing to the city's service the best possible talent. He has declared his intention to proceed carefully with policy and personnel changes, a program which, if executed as promised, doubtless will receive general approval.

Vets Hospital Five To Battle V. F. W. Quintet Tonight

Commercial hoop action returns to Senior High gymnasium tonight as the Veterans' Hospital five meet the V. F. W. hot-and-cold club in the main event at 8 o'clock, while an out-of-town tilt is confined to Sutherlin, where the Palstime Tavern plays host to Yoncalla.

Making their first appearance on the maples since the jamboree held in December, the Hospital men boast a star-studded club of former college hoop artists and eastern league players who should enter slight favorites over the V. F. W. squad which has yet to experience victory, having fallen last night to Yoncalla in a rough-and-tumble match.

Probable lineups include:

Vets Hosp.	Pos.	V. F. W.
Mortenson	F	Campbell
Petersen	F	Lowe
Pratt	C	Lange
Kidder	G	Rutter
Starmer	G	Baker

At Sutherlin, the Yoncalla five will make its initial bid against the leading threat of the Northern Division in what is expected to be the contest of the night. Sutherlin's Taveners hold an undefeated pre-season record and one conference win, defeating J. K. Sports Monday in Roseburg, 28-17.

Both teams feature aggressiveness in getting control of the ball and Sutherlin's fast-breaking tactics against Yoncalla's strong zone defense should prove an interesting contest.

Probable lineups:

Sutherlin	Pos.	Yoncalla
Pluerard	F	Dodd
Barge	F	Williams
Stratten	C	Merk
Roundtree	G	Cellers
Ridge	G	Smith

Commercial Loop Quints Dated Here Saturday Night

Doubleheader basketball action has been arranged for Senior High School gymnasium for Saturday night with two members of the Commercial League of Douglas County slated to meet two highly-touted clubs of the Rogue River vicinity.

Playing a return match, Roseburg's V. F. W. will meet Grants Pass V. F. W. club at 7:30, followed by Rainbow Grill meeting an undefeated Rogue River V. F. W. five.

The local V. F. W. team coached by Royal S. Denton, includes several former high school stars, three of whom were tutored under Paul Warren in 1936-37. The Grants Pass club, which won over Roseburg on the Cavemen court two weeks ago, is managed by E. J. Shrimpf, formerly of Roseburg, and is captained by Neil Shrimpf, former RHS hoop star under the mentorship of James Watts.

Rainbow Grill's high-scoring club faces a veteran's team of Rogue River with a similar scoring record, having knocked over all previous opponents by large tallies and already touted as the club to beat in the Josephine-Jackson county independent league. The Rogues' lineup is made up entirely of members of the 1941 B League Club which won the state title.

Special entertainment has been arranged for halftime of each of these ball games, with Patrick W. Kelly post planning a special cheer section for veterans of Douglas County, complete with ex-G. I. yell leaders.

Admission for this doubleheader program is 50c and 25c.

Elkton High Hoopsters Defeat Yoncalla, 31-17

Elkton High School's basketball team continued its winning ways in the Douglas County B League last night on the Yoncalla court in trouncing an outclassed Blue and Gold club, 31-17, in a rough and tumble tussle.

Led by Kesterson, Elks' center, who potted 11 points, Elkton led each period of the contest 13-4, 24-9, and 24-14. Yoncalla's forward Ritchey made up the majority of the home club's scoring with 12 points.

Lineup:

Elkton (31)	Pos.	(17) Yoncalla
Gourley, 7	F	2, Fast
Smith, 4	F	12, Ritchey
Kesterson, 11	C	Wales
Clemo, 2	G	2, Kohler
Colley, 2	G	1, Gordon

Substitutions: Elkton—Binder 2, Weatherley 1, Jackson 3. Yoncalla—Metz, McDonald, Ulbricht, Raper. Official: Moore.

Hostak K. O.'s Droll

SEATTLE, Jan. 8.—(AP)—Untested in four consecutive bouts, Al Hostak, Seattle's ex-middleweight titlist, prepared today to move back into the upper brackets of the nation's fistic listings in his scheduled Houston, Tex., meeting with Steve Belloise Jan. 22.

Belloise currently is ranked No. 7 among the country's middleweights.

Hostak captured his latest win last night with a technical knockout in the second round after flooring Benny Droll of Peoria, Ill., three times in the early going.

Yoncalla 5 Trims Roseburg V. F. W.

Yoncalla knocked over Roseburg's V. F. W. 56-40, last night in the evening's only Commercial hoop tilt on the northern floor.

Leading throughout the contest, Yoncalla's rangy quintet proved more adept in hitting the hoop from the initial tipoff, while the Veterans repeatedly glanced the ball off the low ceiling on numerous shots, never reaching the backboard in many cases on set shots. Both teams had 17 fouls called against them, and two players from each club committed the limited five.

Merk, aggresive deadeye center, led scoring for the victors with 18 points. Lowe of the V. F. W. potted 17.

Lineup:

Yoncalla (56)	Pos.	(40) V. F. W.
Dodd, 9	F	17, Lowe
Williams, 11	F	J. Rutter
Merk, 18	C	2, Campbell
Cellers, 4	G	11, Baker
Smith, 8	G	6, P. Rutter

Substitutions: Yoncalla—Fred, Mairs 5; V. F. W.—Waterman, Colley 4, DeMussey. Official: Moore.

Return Tilt With Gaels Next Test For RHS Cagers

By ROYAL S. DENTON

Roseburg's Indians have two days left in which to prepare for their next Tri-County League test—against St. Mary's Friday night at the Gael's court in Eugene. They vie with Elmira Saturday night.

Coach Jack Newby sent his charges through intense workouts in brushing up on defense and rigid drills for breaking-in for scoring against these two clubs this week.

Displaying signs of fatigue Saturday night when they edged over St. Mary's in their league opener, the Indians will definitely be in top form for this weekend's frays, Newby said today. The San Francisco trip took its toll on all eight of the players making the trip the week previous to their opening test.

St. Mary's, rated the darkhorse member of the tri-circuit, lived up to that rating in matching Eugene High's highly-touted five in pre-season records and held the Axemen until the fourth period with a strong defense. Roseburg won over the Gaels last week by a one-point margin in the final four seconds of play by way of a free throw by sub-forward Dick Nichols.

Elmira, winless in two conference tilts thus far, are reputed nevertheless as invariably strong on their home court where the Indians play Saturday, and may give the Indians plenty of trouble.

Roseburg's biggest hoop attraction on the local floor comes January 17, when the Indians play host to Eugene's mighty Axemen, last year's state champions. Tickets for this fray will go on sale at the Chamber of Commerce office Monday, January 13.

O. S. C. Hoopsters Again Down Cougars, 53 to 30

CORVALLIS, Ore., Jan. 8.—(AP)—Oregon State eased into a first place tie with Washington in Northern Division Coast Conference basketball play today after another overwhelming victory over Washington State.

The Beavers, loser of only one game in 15, trounced Washington State, 53 to 30, last night, wits Red Rocha, center and Northern Division scoring champion last season, leading the way with 20 points. The previous night Oregon State won, 52 to 28, with Rocha accounting for 11 points.

Both Oregon State and Washington have won two and lost none in conference play. Oregon State entertains Oregon and Washington State plays at Idaho in Saturday night games this week.

Four of the fourteen most successful plays of the American stage were written by women: Harriet Beecher Stowe, "Uncle Tom's Cabin"; Mrs. Henry Wood, "East Lynne"; Mary Roberts Rinehart, "The Bat," and Anne Nichols, "Abie's Irish Rose."
