Annual Banquet,
Dance Enjoyed by
Orange R Club

Approximately 100 members and guests attended last night's Roseburg High School's annual R Club banquet at the gymnasium, sponsored by the high school's Girls League, athletic association.

Given yearly in honor of the school's athletic lettermen, the "R" Club, the banquet was attended by 20 guests, members of the girls' organization, and the honored lettermen.

Featured speaker for the evening was Sam McGaughey, 1933 student body president of the high school, an ex-track star of University of Oregon and recently discharged Army Air Forces major, who stressed the need for year round athletic training for students and cited the various changes in the high school since his days.

Other speakers of the evening were Tom McCown, R Club president; Dr. G. C. Finlay, former Roseburg coach, for whom the athletic field was named; Paul S. Elliott, Alva Laws, Jack Newby and Mel Ingram.

Following the after-dinner program, a dance was held at Eagles Hall.

Novelty menus were passed out by members of the Girls League at the bountiful banquet, listing: Bug juice (tomato juice); T formation with scrimgame (turkey and dressing); Finlay Field and dribble (mashed potatoes and gravy); shot puts (peas); Discus (biscuits); half-Newby and half-Ingram (apple and cranberry sauce); pie ala mud (apple pie); last lap (coffee); boxer's punch (milk).

Talent Limbers Up

Excellent baseball training weather the past few days has enabled Coach Mel Ingram to get his Roseburg Indian candidates out of the chalk talks and onto the playing field for early season loosening up workouts.

The Orange and Blacks have put in four full practice sessions this week and more of the same work, batting and fielding, is on tap for them today and Friday. Light workouts will continue through the coming spring vacation for preparing for the opening pre-season game, tentatively set with Oakland.

Ingram's aspirants face their heaviest season in several years, beginning the first week following spring vacation, to include several B League schools of Douglas County as well as Medford, Ashland, Grants Pass, Eugene, University High, Cottage Grove and Springfield.

In addition to a long list of potentials to pick from for the starting varsity nine, the coach has ten returning lettermen of last year's strong club plus 39 other hopefuls.

Homer W. Grove, agriculture instructor, reported today that the playing field will be in top playing condition for the first contest in April.

MARY GORE WED TO EDWIN R. SHIREY, JR.
Proves Cooking Skill with Sperry Drifted Snow Flour

IT'S EASY FOR A BRIDE TO GET ATTENTION, but any wife can duplicate this feat by making a fragrant delicious platter of Sour Cream Cinnamon Sticks. This Martha Meade recipe is only one of over 945 recipes perfected in the Martha Meade Kitchen and tested and approved for use with Sperry Drifted Snow "Home-Perfected" Enriched Flour by the Martha Meade Home Staff.

A GOOD PROVIDER is Edwin R. Shirey, Jr., and a wise shopper too. When his bride asks him to stop at the grocer's, he brings home a sack of Sperry Drifted Snow Flour. While flour is a relatively small part of the cost of a baking, the way it acts with other recipe ingredients usually makes a success or a failure. That's why shoppers wary, always buy Sperry.

SOUR CREAM CINNAMON STICKS

Martha Meade
Noted Western Food Authority

Sift flour before measuring. Use level measurements for all ingredients.

In a large saucepan, bring just to the boiling point—

1 cup sour* table cream*

Then remove from heat and measure directly into hot sour cream in saucepan—

2 tablespoons shortening

3 tablespoons granulated sugar

1 teaspoon salt

1/2 teaspoon baking soda

Stir until well blended, then add in the order given—

1/4 cup whole egg, unbeat (1 large)

1 cake moist compressed yeast, crumbled

Stir rapidly until yeast dissolves. Then add—

3 cups sifted Sperry Drifted Snow

"Home-Perfected" Enriched Flour

Mix into a moderately stiff dough. Turn out on floured board and knead lightly a few seconds to form a smooth ball. Cover dough with a dampened cloth and let rest 5 minutes. Roll dough into an oblong shape, 24 x 6 inches (dough will be about 1/4 inch thick). Spread entire surface of dough

Tasty... easy to make... a real addition to breakfast, afternoon tea, or late supper

with—

2 tablespoons melted butter or margarine

Then sprinkle half of dough (the long way) with—

1/2 cup brown sugar (firmly packed, free from lumps)

1 teaspoon powdered cinnamon

Bring unsugared half of dough over sugared half, pressing top surface lightly to seal in filling. (This makes an oblong about 24 x 3 inches.) With a sharp knife cut dough into 24 inch-wide strips. Then taking each strip of dough at both ends, twist it in opposite directions, twice, forming a spiral stick. Place on greased baking sheets about 2 inches apart, pressing both ends of sticks firmly and flatly to the baking sheet. Cover with a dampened cloth and let rise in a warm place until light and double in bulk, about 1 hour 15 minutes. Brush sticks with melted shortening or top milk and bake in a hot oven, 425°, for 12-15 minutes. Spread tops of baked sticks, while still warm, with powdered sugar icing (made by blending together 1/4 cup sifted powdered sugar and 1 tablespoon top milk). 2 dozen sticks.

*To sour sweet cream: Measure 1 tablespoon vinegar or strained lemon juice into measuring cup. Fill to 1 cup level with sweet cream. Let stand 5 minutes before using.

CHECKING INGREDIENTS in a Martha Meade recipe on the folder from her sack of Drifted Snow, is standard practice for Mrs. Shirey, Sr., before she makes up her shopping list. After 35 years of use, she says: "Things always seem to turn out better when I use Drifted Snow." That's why she recommends that her son's bride use Sperry Drifted Snow Flour too.
