**Top Motorcycle Racers Will Vie At Garden Valley**

By ROYAL S. DENTON  
First all-expert and professional Tourist Trophy Motorcycle race of this county will be held Sunday, June 15, at the Garden Valley Speedway. The races are sponsored by the King Cobra Motorcycle Klub of Roseburg.

Sanctioned by the American Motorcycle Association, the races will feature several top-flight riders and provide more than \$400 in cash awards.

Among the better known cycle racers appearing in competition will be Red Rice, fourth place winner this year in the World Nationals at Daytona Beach, Fla. Also to be on hand are Roy Wolfe, well-known short track speedster of Portland and Los Angeles tracks, and Ray Highland, new owner and rider of the English Norton MANX bike, which won first place in the Daytona Beach classic.

Bill Love, spokesman for the sponsoring cycle club, emphasized that only professional and expert bikemen will be in competition Sunday, which is drawing devotees from throughout Oregon, Southern Washington and many traveling riders now in this area.

The 12-event program will start off with time trials of 25 entered riders at noon. Best 18 of these will compete in the events to follow, which include 10 elimination races of five laps each, a class B main event with 10 riders doing 15 laps, and the main event of the day, the class A race, with eight riders competing in the 20-lap trip.

The last races sponsored here, a novice event, drew more than 2000 persons to the newly built track located two miles north of the Roseburg Country Club on the Garden Valley road.

For Sunday's activities, new guard rails have been constructed, the track has been regraded, a super sound system has been installed, and the track's infield has been cleared, enabling spectators to view the entire track.

Admission will be \$1 with no charge for parking.

**Hollywood Club Sparked by Pair Of Ex-Vermonters**

By BILL BECKER  
(Associated Press Sports Writer)  
A couple of pals from Vermont have the Hollywood Stars looking up these days.

George (Pinky) Woods, Rutland, Vt., righthander, and first sacker Tony Lupien of nearby Springfield made it Vermont night for fair as the Stars defeated the Los Angeles Angels, 3-0, last night.

Woods held the Angels to four hits, while Lupien rapped a single and double, scoring two runs and driving in another. It was just another chapter in the Pacific Coast loop's latest Damon-and-Pythias routine.

The six-foot, five-inch, 230-pound sidarm hurrier won his first start, 7-5, over Portland, with Lupien polling out a homer, double and two singles.

Another victory was 5-4 over Seattle, with Lupien supplying the winning margin with a homer and triple.

In all, Lupien has batted .714 in the five games Woods has worked.

Six-hit pitching by San Diego's Treichel stopped the leading San Francisco Seals, 10-3. Shupe drove in four runs with a triple and three singles. Treichel walked nine but was tough in the clutch.

Oakland edged two percentage points ahead of Los Angeles and two in one game of San Francisco by downing Seattle, 8-2, with Vince DiMaggio's two homers accounting for three runs. Novikoff hit his 11th homer for the Rainiers.

Portland beat Sacramento, 5-3, as Catcher Silveira hammered across three runs with a triple and two singles. Raschi was the winner over Fletcher.

**Slump of Pirate Hurlers Keeping Team in Cellar**

By JACK HAND  
(Associated Press Sports Writer)  
Manager Billy Herman couldn't be blamed if he made the entire Pittsburgh Pirate pitching staff walk the plank into the Monongahela mud. In the last 15 games since Memorial Day, not one Bucco starter has gone the route. As a result the team is trying to knock a hole in the National League cellar floor.

However, a big crowd turned out last night to see the Pirates give a good illustration of the form they showed back east, bowing 7-3 to Chicago.

Chicago advanced into a second place tie with the idle Brooklyn Dodgers as a result of the win and the Pirates were rescued from a lonely berth in the basement by Cincinnati's 1-0 win over St. Louis. As a result the luckless Cardinals remained in a seventh-place tie with Pittsburgh.

Kent Peterson, a highly-publicized rookie who had pitched only one inning of major league baseball before this spring, turned back the Birds with five hits. The victory boosted the Reds into fifth place, a half game ahead of Philadelphia.

The two night games were the only contests in the majors with most of the clubs traveling.

**2 Softball Games Slated Tonight**

A twin bill of what is expected to be the tightest games yet played in the Roseburg Softball League is on tap for tonight if weather permits under the Finlay Field lights, with J. V. R. tangling with Pepsi-Cola at 7:15 and an Elks-Squirt battle in the night cap.

Bulk of the battery strength in the first game is believed to rest with the Pepsi-Cola club, featuring the diamond talented Eame Brothers. Other Cola-men, made up mainly of teen-agers, are: Bish 1b, Evans 2b, Hillburg

**IF YOU WISH TO AVOID ACCIDENTS, ILLNESS AND DEATH:**

1. Keep away from automobiles. 35,000 were killed and 1,300,000 were injured in automobiles last year.
2. Don't go home. Home accidents accounted for 33,000 deaths and 4,850,000 injuries last year.
3. Give up sports, recreations and vacations. Outdoor accidents account for 15,000 deaths and 1,800,000 injuries annually.
4. Keep away from the office, store or shop. Occupational accidents cause 17,000 deaths and 1,400,000 injuries yearly.
5. Don't travel. 4,000 are killed and 200,000 are injured in accidents that happen to people who use trains or steamships. Beyond all this, millions more contract illnesses and thousands die as a result. So remain permanently in bed—wear a mask and don't breathe while anyone else is in the room. The only sure way to protect yourself and family is to buy accident and health insurance—ASK
